Overview of All SCMS Core Formulary Lists

**December 2011**

## About SCMS

The Supply Chain Management System (SCMS) was established to enable an unprecedented scale-up of HIV/AIDS prevention, care and treatment programs in the developing world. SCMS procures and distributes essential medicines and health supplies, works to strengthen existing supply chains in the field, and facilitates collaboration and the exchange of information among key donors and other service providers. SCMS is an international team of 13 organizations funded by the US President's Emergency Plan for AIDS Relief (PEPFAR). The project is managed by the US Agency for International Development (USAID).

This document was made possible through support provided by the US Agency for International Development, under the terms of contract number GPO-I-00-05-00032-00. The opinions expressed herein are those of the author(s) and do not necessarily reflect the views of the US Agency for International Development or the US government.

This document may be reproduced if credit is given to SCMS.

# Introduction

---

## Who We Are

Funded by the President’s Emergency Plan for AIDS Relief (PEPFAR) and established in fiscal year 2005, SCMS (the Supply Chain Management System) is helping host nations increase their capacity for delivering essential lifesaving HIV/AIDS medicines and supplies to people in need of treatment and care.

Managed by the Partnership for Supply Chain Management ([PFSCM](http://pfscm.org)), SCMS brings together 13 private sectors, nongovernmental and faith-based organizations that are among the most trusted names in supply chain management and international public health and development. With field offices in 19 countries (<http://scms.pfscm.org/scms/where>) and dedicated staff members around the world, we are helping to improve the lives of people living with HIV/AIDS in some of the countries most severely impacted by the pandemic.

SCMS works in collaboration with host-country governments and local and global partners; procures essential medicines and supplies at affordable prices; helps strengthen and build reliable, secure and sustainable supply chain systems; and fosters coordination of key stakeholders. SCMS is a project contracted by the US Government through USAID primarily to provide supply chain services and support to programs within PEPFAR. We procure for US Government supported HIV/AIDS projects and similar projects funded by organizations such as the Global Fund for AIDS, TB and Malaria. More information about PEPFAR can be found at <http://www.pepfar.gov>.

## How to use this catalog

This catalog provides a “Core List” of standardized products derived from current HIV/AIDS health needs as defined by our clients. Whenever possible, we recommend that you choose products from the “Core List” when placing an order with SCMS. Clearly specifying the products you need is key to ensuring that you receive the right products when you need them. Unclear specifications can lead to errors and delays in delivery.

If you can’t find the products you need in this catalog, please see the section below on “How to submit your inquiry to SCMS” and visit the e-catalog at <http://scms.pfscm.org/scms/e-catalog> for the most up to date list.

## Product Groups

The product groups section of the catalog is a subset of SCMS’s entire product list and includes formulary lists of antiretroviral (ARVs) products for adults and pediatrics; rapid test kits; essential medicines including those used to treat opportunistic infections (OI); laboratory equipment and medical supplies; male circumcision kits and program supplies; products for early infant diagnosis; blood safety; PMTCT programs; food products; home based care kits; Warehouse-In-A-Box (WiB)

and Clinic-In-A-Box (CiB). We have developed the “Core List” to assist you in identifying products that are available and meet the standards for a range of product needs for HIV/AIDS initiatives.

## How to submit your inquiry to SCMS

Each item is assigned an SCMS item code. Please reference these codes when placing an order to ensure and that you receive the correct products in a timely manner. The “Core List” in this catalog is updated based on market trends and new product selections. Some products listed in previous versions of the catalog may not be listed in the current version. Please refer to SCMS’s e-catalog at <http://scms.pfscm.org/scms/e-catalog> for the most current information on products that SCMS procures.

If you work in a PEPFAR focus country and would like to order a product, contact your local SCMS representative (see countries and contacts at <http://scms.pfscm.org/scms/where>) or the Program Management Office in the US at +1 571-227-8600 or [SCMSInfo@pfscm.org](mailto:SCMSInfo@pfscm.org).

When contacting SCMS, the key questions you will be asked include:

- Do you want to procure either a drug or a lab item?
- What are the products from the “Core List” that you require?
- What are the quantities?
- Where do you want the products delivered?
- When do you require the products?
- Is funding available, and what is the source of such funding?
  - To speed the inquiry process, please download a **Price Request form** and **Client and Recipient Information form** from the e-catalog at <http://scms.pfscm.org/scms/e-catalog/resources>
  - If you are interested in procuring a vehicle, please download the **Vehicle Questionnaire** from the e-catalog at <http://scms.pfscm.org/scms/e-catalog/resources>
  - You can send an inquiry accompanied with the forms to [SCMSInfo@pfscm.org](mailto:SCMSInfo@pfscm.org).

## How to confirm our price quote

Once we receive your inquiry, a procurement specialist will contact the appropriate vendors with a request for quotation to find the best available prices. We will then prepare a price quote for your consideration based on your requirements. The price quote will be used to confirm product specifications and includes both the price and anticipated time needed for delivery once we place an order with the supplier(s). We charge our clients the cost of the commodity plus freight and delivery, in addition to a 5% surcharge or processing fee.

It usually takes one to six weeks for SCMS to generate a price quotation once the inquiry is received, depending on the type of commodity. Requests for products not listed in this catalog will require significantly more effort, resources and time (several weeks or even months) to identify a supplier and develop the appropriate information to place an order. We may split your initial request into two or more price quotes to speed delivery of products that are more readily available so that they are not delayed while we obtain products more difficult to procure.

- **If you approve the price quote(s), sign and return to SCMS.** We cannot confirm your delivery date until we have received the signed price quote.

## Ordering from our suppliers

Once you have signed and returned a price quote, and confirmed funding, we will place the order on your behalf and provide the anticipated delivery date(s) for your order(s). Commodities provided from an SCMS regional distribution center may have blended freight and commodity costs. In the spirit of transparency, from time to time we will report to our clients these service costs, including quality assurance surveillance, for your reference purposes only.

Please note that lead times for deliveries vary depending on the type of commodity, mode of shipment and clearance per country. Average lead times for our main commodity types are:

Product Type	Average delivery lead time (weeks)*
ARVs	3-23
Blood supplies	10-28
Laboratory items	2-20
Medicines (other than ARVs) **	4-23
Test kits	6-15
MC kits	10-24
Food Products	10-23

\*Lead time based on air shipment. We recommend considering sea freight, which can be 80-90 percent more cost effective, but takes longer.

\*\* Lead time depends on registration requirements and availability.

- **There's nothing for you to sign or do at this stage.** We, however, will keep you informed of progress and alert you to any delays.

## Shipping and Receiving your delivery

SCMS will then manage the order through to delivery to the agreed destination, arranging distribution of supplies either from one of our regional distribution centers in Ghana, Kenya or South Africa or by direct shipment from our supplier.

- To facilitate the order, please visit the e-catalog to download the **Shipping Instructions form** at <http://scms.pfscm.org/scms/e-catalog/resources>

Once you receive the product, we ask you to accept delivery and then we will debit the cost to your account with SCMS. SCMS arranges settlement with the original supplier.

- To complete the process, **you must provide a proof of delivery to SCMS.**

## Warranty and Maintenance Contracts

Both extended warranty and maintenance contracts are allowable under the SCMS program, subject to some restrictions. As extended warranties and maintenance agreements are different types of agreements, they are subject to different restrictions.

Warranty agreements are guaranties that come with the sale of a product and are usually for a period of one year after installation but can be procured at the time of purchase for multiple years at a favorable rate, if desired. In general, warranties cover spare parts and labor. PFSCM is not the title holder of the warranty as warranties are tied to the commodity purchased, not the purchaser. If something is wrong with the product in the future, it is up to the owner of the goods to invoke any warranty repair, not the SCMS program.

Maintenance contracts can be procured for coverage beyond the warranty period for instruments purchased by SCMS (on a case-by-case basis for non-SCMS procured instruments with prior USAID approval). As maintenance contracts are service agreements, they can only be valid in the fiscal year in which they are purchased. However, there can be option periods for future fiscal years, subject to future payment. All maintenance agreements are invalid past the point when the current SCMS task order (contract) comes to an end on September 26, 2013. Maintenance contracts should start at the date when the warranty ends and should cover spare parts and labor, preventive maintenance and repair of instruments.

Maintenance templates can be custom-tailored based on the type of product and the country needs. It is suggested that the contract should include at least one preventative visit and one repair per year (any necessary repair should be covered by the maintenance) with the option to pool across instruments and facilities. Preventative maintenance visits should be pre-scheduled, documented and set per site. Like warranty agreement, maintenance agreements are tied to the product, not the purchaser, and thus it is the owner of the equipment to enforce the maintenance agreement. SCMS has developed a transferability clause in the maintenance contract template which will allow the contract to be transferred from SCMS to the client with the written agreement of the service provider.

*Note: Maintenance contracts and agreements can only be valid for the fiscal year in which they were paid. Maintenance contracts (services) are subject to existing SCMS procurement processes.*

## Medicines (including ARVs, medicines for opportunistic infections, sexually transmitted infections, TB and malaria)

### ***Antiretroviral medicines (ARVs)***

SCMS can supply all ARVs that are approved or tentatively approved by the US Food and Drug Administration (FDA). The manufacturing sites of these FDA approved ARVs are also specifically approved by the FDA and may or may not be within the US. Prices for the generic ARVs are based on contracts between PFSCM/SCMS and the suppliers; prices for the innovator products are shown at the Accelerated Access Initiative (AAI) level for low income countries. For clients who are not based in countries qualifying for AAI pricing, the prices may differ.

**Please Note:** Availability of Didanosine tablets and Stavudine products has been challenging due to the complicated production process and limited demand. To address this concern, production planning discussions are ongoing between SCMS, CHAI and other organizations.

The products listed in this catalog form our core products which are frequently ordered or are needed to support HIV/AIDS programs. Alternative products, strengths or pack sizes and forms (blister vs bottle) might be available upon request. The brand name for each product is listed in the description, for example [Ziagen], otherwise the product is generic. For the most current list of ARVs procured by SCMS, please visit the ARV section of the e-catalog at <http://scms.pfscm.org/scms/ecatalog/arvs>

Over the past two years, a number of new and existing ARV formulations have been approved by or submitted to the US FDA for use in pediatric populations. Please contact us at [SCMSInfo@pfscm.org](mailto:SCMSInfo@pfscm.org) regarding your requirements for adult or pediatric ARVs.

The following websites provide helpful resources for ordering ARVs:

- [FDA website](#) for more specific FDA registration information
- [PEPFAR](#) associated approved and tentatively approved ARV's
- [Medicines Patent Pool](#) to access patent status of selected ARVs
- SCMS [Community Center](#) for [past purchase](#) orders and forecasts of ARV's

Table 1. ARVs Core Product List

SCMS ID Number	Description
109046	Abacavir (as sulfate) 20mg/ml, oral solution, bottle of 100ml

102190	Abacavir (as sulfate) 20mg/ml, oral solution, bottle of 240ml
102002*	Abacavir (as sulfate) 20mg/ml [Ziagen], oral solution, bottle of 240ml
106061*	Abacavir sulfate 60mg, scored tablets, 60 tablets
108697	Abacavir sulfate 60mg, scored tablets for oral suspension, 60 tablets
102159	Abacavir (as sulfate) 300mg, tablets, 60 tablets
102001	Abacavir (as sulfate) 300mg [Ziagen], tablets, blister 6 x 10 tablets
106452*	Abacavir/Lamivudine 60/30mg, tablets, 60 tablets
108881	Abacavir sulfate/Lamivudine 60/30mg tablets for oral suspension, 60 tablets
102455	Abacavir/Lamivudine 600/300mg, scored tablets, 30 tablets
102003	Abacavir/Lamivudine 600/300mg [Kivexa], tablets, 30 tablets
102005	Amprenavir 15mg/ml [Agenerase], oral solution, bottle of 240ml
102004	Amprenavir 50mg [Agenerase], capsules, 480 capsules
104619*	Atazanavir (as sulfate) 100mg, capsules, 60 capsules
104620*	Atazanavir (as sulfate) 150mg, capsules, 60 capsules
104616*	Atazanavir (as sulfate) 150mg [Reyataz], capsules, 60 capsules
104621*	Atazanavir (as sulfate) 200mg, capsules, 60 capsules
104617*	Atazanavir (as sulfate) 200mg [Reyataz], capsules, 60 capsules
108182	Atazanavir (as sulfate) 300mg, capsules, 30 capsules
102516	Darunavir 300mg [Prezista], tablets, 120 tablets
102007*	Didanosine 2g [Videx], powder for oral solution 10mg/ml, reconstitute to 200ml
102849*	Didanosine 2g, powder for oral solution 10mg/ml, reconstitute to 200ml
102893*	Didanosine 4g, powder for oral solution 10mg/ml, reconstitute to 400ml
102008*	Didanosine 25mg [Videx], tablets, 60 tablets
102009*	Didanosine 50mg [Videx], tablets, 60 tablets
102010*	Didanosine 100mg [Videx], tablets, 60 tablets
102161*	Didanosine 100mg, tablets, 60 tablets
106244*	Didanosine 125mg, delayed-release capsules, 30 capsules
102197*	Didanosine 150mg, tablets, 60 tablets
102198*	Didanosine 200mg, tablets, 60 tablets
106245*	Didanosine 200mg, delayed-release capsules, 30 capsules
106246	Didanosine 250mg, delayed-release capsules, 30 capsules
106247	Didanosine 400mg, delayed-release capsules, 30 capsules
102016	Didanosine EC 250mg [Videx EC], delayed-release capsules, blister 3 x 10 capsules
102017	Didanosine EC 400mg [Videx EC], delayed-release capsules, blister 3 x 10 capsules

102018*	Efavirenz 30mg/ml [Stocrin/Sustiva], oral solution, bottle of 180ml
102590*	Efavirenz 50mg, capsules, 30 capsules
107310	Efavirenz 50mg, tablets, 30 tablets
102019*	Efavirenz 50mg [Stocrin/Sustiva], capsules, 30 capsules
102591*	Efavirenz 100mg, capsules, 30 capsules
107311	Efavirenz 100mg, tablets, 30 tablets
102592	Efavirenz 200mg, capsules, 90 capsules
107820	Efavirenz 200mg, scored tablets, 90 tablets
107312	Efavirenz 200mg, tablets, 90 tablets
102021	Efavirenz 200mg [Stocrin/Sustiva], capsules, 90 capsules
102158	Efavirenz 600mg, tablets, 30 tablets
102022	Efavirenz 600mg [Stocrin/Sustiva], tablets, 30 tablets
106930	Efavirenz/Emtricitabine/Tenofovir disoproxil fumarate 600/200/300mg, tablets, 30 tablets
102199	Efavirenz/Emtricitabine/Tenofovir disoproxil fumarate 600/200/300mg [Atripla], tablets, 30 tablets
107010	Efavirenz/Lamivudine/Tenofovir disoproxil fumarate 600/300/300mg, tablets, 30 tablets
102024*	Emtricitabine 10mg/ml [Emtriva], oral Solution, bottle of 170ml (cool)
102715	Emtricitabine 200mg, capsules, 30 capsules
102023	Emtricitabine 200mg [Emtriva], capsules, 30 capsules
107231	Etravirine 100mg [Intelence], tablets, 120 tablets
103273*	Fosamprenavir 50mg/ml [Telzir/Lexiva], oral solution, bottle of 225ml
103272	Fosamprenavir calcium 700mg [Telzir/Lexiva], tablet, 60 tablets
102026	Indinavir 400mg [Crixivan], capsules, 180 capsules
102934*	Lamivudine 10mg/ml, oral solution, bottle of 100ml
102191	Lamivudine 10mg/ml, oral solution, bottle of 240ml
102029*	Lamivudine 10mg/ml [Epivir], oral solution, bottle of 240ml
102193*	Lamivudine 150mg, tablets, 60 tablets
102027*	Lamivudine 150mg [Epivir], tablets, 60 tablets
102203	Lamivudine 300mg, tablets, 30 tablets
102028	Lamivudine 300mg [Epivir], tablets, 30 tablets
106692*	Lamivudine/Stavudine 30/6mg, tablets for oral suspension, 60 tablets
106691*	Lamivudine/Stavudine 60/12mg, tablets for oral suspension, 60 tablets
102855	Lamivudine/Stavudine 150/30mg, tablets, 30 tablets
102524	Lamivudine/Stavudine 150/30mg, tablets, 60 tablets
102854	Lamivudine/Stavudine 150/40mg, tablets, 30 tablets

102525	Lamivudine/Stavudine 150/40mg, tablets, 60 tablets
103462	Lamivudine/Stavudine + Efavirenz 150/40+600mg, tablets, co-blister, 60+30 tablets
102564*	Lamivudine/Stavudine/Nevirapine 30/6/50mg, tablets, 60 tablets
102565*	Lamivudine/Stavudine/Nevirapine 60/12/100mg, tablets, 60 tablets
102503	Lamivudine/Stavudine/Nevirapine 150/30/200mg, tablets, 60 tablets
102502	Lamivudine/Stavudine/Nevirapine 150/40/200mg, tablets, 60 tablets
102894	Lamivudine/Stavudine + Nevirapine 150/40+200mg, tablets, co-pack, 60+60 tablets
106903*	Lamivudine/Zidovudine 30mg/60mg, tablets, 60 tablets
107121	Lamivudine/Zidovudine 150/300mg, tablets, 10x10 blister, 100 tablets
102162	Lamivudine/Zidovudine 150/300mg, tablets, 60 tablets
102030	Lamivudine/Zidovudine 150/300mg [Combivir], tablets, 60 tablets
106912	Lamivudine/Zidovudine/Abacavir 150mg/300mg/300mg, tablets, 60 tablets
102031	Lamivudine/Zidovudine/Abacavir 150mg/300mg/300mg [Trizivir], tablets, 60 tablets
102445	Lamivudine/Zidovudine + Abacavir 150/300+300mg, tablets, co-blister, 60+60 tablets
102785	Lamivudine/Zidovudine + Efavirenz 150/300mg+600mg, tablets, co-blister 60+30 tablets
107640*	Lamivudine/Zidovudine/Nevirapine 30/60/50mg, dispersible tablets, 60 tablets
102055	Lamivudine/Zidovudine/Nevirapine 150/300/200mg, tablets, 60 tablets
102446	Lamivudine/Zidovudine + Nevirapine 150/300+200mg, tablets, co-blister, 60+60 tablets
106649*	Lopinavir/Ritonavir 100/25mg, tablets, 60 tablets
106761	Lopinavir/Ritonavir 100/25mg, tablets, 120 tablets
103836*	Lopinavir/Ritonavir 100/25mg [Aluvia], tablets, 60 tablets
102720	Lopinavir/Ritonavir 200/50mg, tablets, 120 tablets
102033	Lopinavir/Ritonavir 200/50mg [Aluvia], tablets, 120 tablets
102430*	Lopinavir/Ritonavir 80/20mg/ml [Kaletra], oral solution, 5 bottles of 60ml (cool), {DG}
107662*	Lopinavir/Ritonavir 80/20mg/ml [Kaletra], oral solution, bottle of 160ml (cool), {DG}
102036*	Nelfinavir 50mg/g [Viracept], oral powder, 144grams
102035	Nelfinavir (as mesilate) 250mg [Viracept], tablets, 270 tablets
102038*	Nevirapine 10mg/ml [Viramune], oral suspension, bottle of 240ml
102194	Nevirapine 10mg/ml, oral suspension, bottle of 240ml
107821*	Nevirapine 50mg, tablets for oral suspension, 30 tablets
102160	Nevirapine 200mg, tablets, 60 tablets
102037	Nevirapine 200mg [Viramune], tablets, 60 tablets
105421	Raltegravir 400mg [Isentress], tablets, 60 tablets
102040*	Ritonavir 80mg/ml [Norvir], oral solution, bottle of 90ml (cool)

107572	Ritonavir 100mg [Norvir], capsules, 2 x 84 capsules (cool)
102431	Ritonavir 100mg [Norvir], capsules, 4 x 84 capsules (cool)
102039	Ritonavir 100mg [Norvir], capsules, 84 capsules (cool)
108102	Ritonavir 100mg [Norvir], f/c tablets, 30 tablets
102041	Saquinavir 200mg [Invirase], capsules, 270 capsules
102202	Saquinavir 500mg [Invirase], tablets, 120 tablets
102046*	Stavudine 1mg/ml [Zerit], powder for oral solution, bottle of 200 ml
102163	Stavudine 1mg/ml, powder for oral solution, 200ml
102188*	Stavudine 15mg, capsules, 60 capsules
102042*	Stavudine 15mg [Zerit], capsules, 60 capsules
102189*	Stavudine 20mg, capsules, 60 capsules
102043*	Stavudine 20mg [Zerit], capsules, 60 capsules
102192	Stavudine 30mg, capsules, 60 capsules
102044	Stavudine 30mg [Zerit], capsules, 60 capsules
102728	Tenofovir disoproxil fumarate 300mg, tablets, 30 tablets
102048	Tenofovir disoproxil fumarate 300mg [Viread], tablets, 30 tablets
106672	Tenofovir disoproxil fumarate/Emtricitabine 300/200mg, tablets, 30 tablets
102047	Tenofovir disoproxil fumarate/Emtricitabine 300/200mg [Truvada], tablets, 30 tablets
103442	Tenofovir disoproxil fumarate/Lamivudine 300mg/300mg, tablets, 30 tablets
109022	Tenofovir disoproxil fumarate/Lamivudine 300mg/300mg + Nevirapine 200mg, tablets, co-blister, 30+60 Tabs
102938*	Zidovudine 10mg/ml, oral solution, bottle of 100ml
102053	Zidovudine 10mg/ml, oral solution, bottle of 240ml
102052*	Zidovudine 10mg/ml [Retrovir], oral solution, bottle of 200 ml
102921	Zidovudine 10mg/ml [Retrovir], solution for IV infusion injection, 5 vials x 20ml
106913*	Zidovudine 60mg, tablets, 60 tablets
102164*	Zidovudine 100mg, capsules, 100 capsules
102050*	Zidovudine 100mg [Retrovir], capsules, 100 capsules
102051	Zidovudine 250mg [Retrovir], capsules, 40 capsules
102049	Zidovudine 300mg [Retrovir], tablets, 60 tablets
102196	Zidovudine 300mg, tablets, 60 tablets

*Note: Various presentations of oral solutions will gradually be replaced with presentations including a syringe.*

*\* Recommended for pediatric programs.*

## Essential Medicines

The core list of essential medicines is based on common opportunistic infection treatments and requests from other HIV/AIDS care and treatment programs. SCMS supplies essential medicines that meet both quality standards for GMP and safety requirements, and are efficacious.

SCMS's sourcing policy is in line with USAID regulations. For more information, review the [USAID Information Sheet](#) to learn about GH/OHA/SCMS "Restricted Commodity" Approval of Pharmaceuticals SCMS can procure essential medicines from SRA approved manufacturers, UNICEF and WHO approved manufacturers, and approved procurement agents. Other sources may be possible after an extensive approval process.

The products listed in this catalog form our core products which are frequently ordered or needed to support HIV/AIDS programs. Alternative products, strengths or pack sizes and forms (blister vs bottle) might be available upon request. For the most current list of essential medicines procured by SCMS, please visit the essential medicine section of the e-catalog at <http://scms.pfscm.org/scms/ecatalog/drugs>

The listed products are not registered in all (PEPFAR focus) countries. Identifying a vendor will require time to take into account local registration and importation requirements. We will try to obtain the product which is both compliant with our quality requirements as well as with your country's importation requirements.

If the essential medicine you need is not listed in this core list or the e-catalog, please [contact us](#) regarding your product and registration/importation requirements as well as the registered options. We will do our utmost to make these products available to you. The lead time depends on registration/importation requirements and availability.

When ordering essential medicines, please refer to the following:

- USAID [Information Sheet](#) on Restricted Commodity Approval of Pharmaceuticals
- [The WHO Priority Medicines for Mother and Children](#): WHO's list of top 30 medicines to save mothers and children developed by WHO, UNFPA and UNICEF as a resource to help partners select and make available medicines with the biggest impact on reducing maternal, newborn and child morbidity and mortality.
- [GDF project](#) for large orders of TB medicines and [PMI](#) for large orders of ACT medicines. SCMS is only in the position to supply small quantities of these products.

Table 2. Essential Medicines Core Product List

SCMS ID Number	Description
	<b>Essential Medicines</b>
102057	Aciclovir 200mg, tablets, 500 tablets
103376	Aciclovir 200mg, tablets (dispersible), 500 tablets

103269	Aciclovir 400mg, tablets, 70 tablets (blister)
102058	Aciclovir 3% eye ointment, ointment, 4.5g x 10 tubes
107210	Aciclovir 5%, cream, tube of 5 grams
108743	Albendazole 200mg/5ml oral suspension, 1 bottle of 10ml
102060	Albendazole 400mg, tablets, 1000 tablets
102149	Amitriptyline 25mg (as hydrochloride), tablets, 1000 Tabs
102061	Amoxicillin 125mg/5ml, powder for oral suspension, bottle of 100 ml
102062	Amoxicillin 250mg, capsules, 1000 capsules
106922	Amoxicillin 500mg, capsules, 1000 capsules (100x10 blister)
104503	Amoxicillin+Clavulanic acid 125+31.25mg/5ml, powder for oral suspension, bottle of 100ml
104502.	Amoxicillin/Clavulanic acid 500/125mg, tablets, 50 tablets (blister)
105043	Amphotericin B (lyophilized) 50mg, vials (inj), 1 vial (cool)
103377	Ampicillin 1 gram, powder for injection, 50 vials
102070	Ampicillin 500mg, powder for injection, 50 vials
107478	Atropine sulphate 1mg/ml, 1ml for injection, 100 Ampoules
106707	Azithromycin 200mg/5ml, bottle of 15ml
106447	Azithromycin 250mg, capsules, 6 capsules
104504	Azithromycin 500mg, tablets, blister of 3 tablets
102104	Benzathine penicillin 2.4 MIU, powder for injection, 50 vials
107484	Bupivacaine HCl 0.5%, injection, 20ml, 10 vials
103541	Ceftriaxone 1 gram, powder for injection, 10 vials
103723	Chlorphenamine maleate 4mg, tablets, 1000 tablets
102101	Ciprofloxacin 250mg, tablets, 100 tablets (10x10 blister)
103712	Ciprofloxacin 500mg, tablets, 100 tablets (10x10 blister)
102074	Clindamycin 150mg, capsules, 100 capsules
104592	Clotrimazole 1%, cream, 1 tube of 20g
104596	Clotrimazole 100mg, vaginal tablets, 6 tabs (BL), with applicator
102076	Co-trimoxazole 120mg, tablets, 1000 tablets
109001	Co-trimoxazole 120mg, dispersible tablets, (100x10 blister), 1000 Tabs
102225	Co-trimoxazole 240mg/5ml, oral suspension, bottle of 100ml
102078	Co-trimoxazole 480mg, tablets, 1000 tablets
106002	Co-trimoxazole 960mg, tablets, 1000 tablets (100x10 blister)
103543	Co-trimoxazole 480mg/5ml injection, 10 ampoules
106128	Dapsone 50mg, tablets, 1000 tablets

108100	Dextrose 50%, injection, 20 vials of 50ml
107652	Doxycycline 100mg (as hyclate), tablets, 1000 tablets (100x10 blister)
106324	Epinephrine (adrenaline) 1mg/ml, 1ml inj., 100 Ampules
106688	Erythromycin 125mg/5ml (as ethyl succinate), powder for oral suspension, bottle of 100ml
102083	Erythromycin 250mg (as stearate), tablets, 1000 tablets
104608	Erythromycin 500mg (as stearate), tablets, 1000 Tabs
105437	Ferrous sulphate 200mg (coated, 65mg iron), tablets, 1000 Tabs
103943	Fluconazole 200mg, capsules, 100 capsules (10x10 blister)
102088	Fluconazole 50mg, capsules, 100 capsules
106132	Ganciclovir 500mg, powder for injection, 1vial
103382	Gentamicin 80mg/2ml, injection, 100 ampoules
102981	Gentian Violet, 4 x 25g, powder for solution
103383	Griseofulvin 125mg, tablets, 1000 tablets
103544	Ibuprofen 400mg, tablets (film coated), 500 tablets
107644	Lidocaine HCl 1%, injection, 20ml, 20 vials
102150	Loperamide 2mg (as hydrochloride), tablets, 1000 tablets
102107	Metronidazole 250mg, tablets, 1000 tablets
106827	Metronidazole 5mg/ml, injection (infusion) bottle of 100ml
109040	Metronidazole 125mg/5ml, oral suspension, bottle of 100 ml
102091	Miconazole 10mg, muco-adhesive buccal tablets, 350 tablets (50x7 blister)
103545	Miconazole 2%, cream, 10 tubes of 30g
104599	Morphine sulphate 10mg/ml, 10 ampoules (nt)
103547	Multivitamin coated, tablets, 1000 tablets
103944	Multivitamin, syrup, bottle of 100ml
102093	Nystatin 100.000IU oral, non-coated tablets, 100 tablets
106723	Nystatin 100.000IU vaginal tablets, 100 tablets
102095	Nystatin 100.000IU/ml, oral suspension, bottle of 30 ml
102983	Oral Rehydration Salt 20.5g/1 liter (low osm), powder for solution, 100 sachets
104010	Paracetamol 120mg/5ml, oral solution, bottle of 100 ml
105819	Paracetamol 500mg, tablets, 1000 tablets (100x10 blister)
106935	Povidone iodine 10% solution, 200ml x 50 bottles
107649	Procaine penicillin 4MIU, powder for injection, 50 Vials
106106	Promethazine HCl 25mg, tablets (coated), 1000 Tabs
103546	Vitamin B6 (pyridoxine HCl), 50mg, tablets, 1000 tablets

	<b>Miscellaneous products</b>
106221	Water for Injection, injection, 5ml x 50 Ampules
104090	Water Purification Tablets, 17mg NaDCC, 50 Tabs
	<b>Antimalarials - ACTs (Artemisinin Combination Therapy)</b>
107332	Artesunate/Amodiaquine 50/153mg, tablets, 3 tablets (blister)
107333	Artesunate/Amodiaquine 50/153mg, tablets, 6 tablets (blister)
107334	Artesunate/Amodiaquine 50/153mg, tablets, 12 tablets (blister)
102116	Artesunate+Amodiaquine 50+153mg, tablets, 3+3 tablets (co-blisters)
102117	Artesunate+Amodiaquine 50+153mg, tablets, 6+6 tablets (co-blisters)
102118	Artesunate+Amodiaquine 50+153mg, tablets, 12+12 tablets (co-blisters)
107357	Artesunate/Amodiaquine 25mg/67.5mg, tablets, 3 tablets (x25 blisters)
107358	Artesunate/Amodiaquine 50mg/135mg, tablets, 3 tablets (x25 blisters)
107359	Artesunate/Amodiaquine 100mg/270mg, tablets, 3 tablets (x25 blisters)
107360	Artesunate/Amodiaquine 100mg/270mg, tablets, 6 tablets (x25 blisters)
107352	Artesunate+Sulfadoxine/Pyrimethamine 50mg+500mg/25mg, tablets, 6+2 tablets (co-blisters)
107353	Artesunate+Sulfadoxine/Pyrimethamine 100mg+500mg/25mg, tablets, 6+3 tablets (co-blisters)
107207	Artemether/Lumefantrine 20mg/120mg [Coartem], dispersible tablets, 6x1 tablets (x30 blisters)
107208	Artemether/Lumefantrine 20mg/120mg [Coartem], dispersible tablets, 6x2 tablets (x30 blisters)
107335	Artemether/Lumefantrine 20mg/120mg [Coartem], dispersible tablets, 6x3 tablets (x30 blisters)
107344	Artemether/Lumefantrine 20mg/120mg [Coartem], scored tablets, 6x1 tablets (x30 blisters)
107345	Artemether/Lumefantrine 20mg/120mg [Coartem], scored tablets, 6x2 tablets (x30 blisters)
105517	Artemether/Lumefantrine 20mg/120mg [Coartem], scored tablets, 6x3 tablets (x30 blisters)
106924	Artemether/Lumefantrine 20mg/120mg [Coartem], scored tablets, 6x4 tablets (x30 blisters)
106925	Artemether/Lumefantrine 20mg/120mg, scored tablets, 6x1 tablets (blister)
106926	Artemether/Lumefantrine 20mg/120mg, scored tablets, 6x2 tablets (blister)
106927	Artemether/Lumefantrine 20mg/120mg, scored tablets, 6x3 tablets (blister)
106928	Artemether/Lumefantrine 20mg/120mg, scored tablets, 6x4 tablets (blister)
	<b>TB treatment</b>
107368	Ethambutol 100mg, tablets, 1000 tablets
102134	Ethambutol 400mg, tablets, 1000 tablets
106831	Ethambutol 400mg, tablets, 672 tablets (24x28 blister)
107370	Isoniazid elixer 50mg/5ml, 500ml
102136	Isoniazid 100mg, tablets, 1000 tablets

102137	Isoniazid 300mg, tablets, 1000 tablets
106832	Isoniazid 300mg, tablets, 672 tablets (24x28 blister)
102138	Pyrazinamide 400mg, tablets, 1000 tablets
106833	Pyrazinamide 400mg, tablets, 672 tablets (24x28 blister)
107369	Rifabutin 150mg, capsules, 30 capsules (blister)
102143	Streptomycin (as sulfate), powder for injection, 1g x 50 vials
102135	Ethambutol/Isoniazid 400mg/150mg, tablets, 1000 tablets
106834	Ethambutol/Isoniazid 400mg/150mg, tablets, 672 tablets (24x28 blister)
102140	Rifampicin/Isoniazid 150mg/75mg, tablets, 1000 tablets
106835	Rifampicin/Isoniazid 150mg/75mg, tablets, 672 tablets (24x28 blister)
106836	Rifampicin/Isoniazid 150mg/150mg, tablets, 1000 tablets
102142	Rifampicin/Isoniazid 300mg/150mg, tablets, 1000 tablets
107372	Rifampicin/Isoniazid 60mg/30mg, dispersible tablets, 1000 tablets
107373	Rifampicin/Isoniazid 60mg/60mg, dispersible tablets, 30 tablets (blister)
106840	Rifampicin/Isoniazid/Ethambutol 150mg/75mg/275mg, tablets, 672 tablets (24x28 blister)
106841	Rifampicin/Isoniazid/Ethambutol 150mg/75mg/275mg, tablets, 1000 tablets
107374	Rifampicin/Isoniazid/Pyrazinamide 60mg/30mg/150mg, dispersible tablets, 1000 tablets
107375	Rifampicin/Isoniazid/Pyrazinamide 150mg/75mg/400mg, tablets, 1000 tablets
106839	Rifampicin/Isoniazid/Pyrazinamide/Ethambutol 150mg/75mg/400mg/275mg, tablets, 672 tablets (24x28 blister)

*Please note, powders for injection are supplied without water for injection, which should be ordered separately if needed.*

## Rapid Test Kits

The list includes the most frequently used test kits ordered by our clients for HIV/AIDS, hepatitis, pregnancy and syphilis. If you require a test kit that is not listed, we may be able to supply it although we will need to seek confirmation of efficacy and suitability from the US Centers for Disease Control and Prevention (CDC) and USAID.

Please contact us regarding your test kit requirements. For the most current list of rapid test kits procured by SCMS, please visit the Rapid Test Kit section of the e-catalog at [http://scms.pfscm.org/scms/e-catalog/test\\_kits](http://scms.pfscm.org/scms/e-catalog/test_kits).

Table 3. Rapid Test Kit Core Product List

SCMS ID Number	Description
<b>HIV Test Kits</b>	
103167	HIV, Clearview Complete HIV 1/2 Kit, 25 Tests
106000	HIV, Controls Kit, OraQuick, 3 Vials
102169	HIV, Determine HIV-1/2 Complete Kit, 100 Tests
103444	HIV, Diagnostic Kit HIV 1+2 Antibody, Colloidal Gold, 50 Tests
102183	HIV, HIV 1&2, DoubleCheck II Kit, 40 Tests
102184	HIV, HIV 1-2-O, First Response v.3.0, Cards, Kit, 30 Tests
102174	HIV, ImmunoComb HIV 1&2 TriSpot Ag - Ab Kit, 36 Tests
106727	HIV, INNO-LIA HIV I/II Score Kit, 20 Tests
102953	HIV, New LAV Blot 1 HIV Kit, 18 Tests
102179	HIV, OraQuick Rapid HIV-1/2 Antibody Kit, 100 Tests
106673	HIV, Stat-Pak HIV 1 / 2 Dipstick Assay Kit, 30 Tests
102170	HIV, Stat-Pak HIV 1 / 2 Kit, 20 Tests
102165	HIV, Uni-Gold HIV Kit, 20 Tests
102959	HIV, Vironostika HIV Uni-Form II Plus 0 Kit, 192 Tests
<b>Hepatitis</b>	
104801	Hepatitis, HCV, INNO-LIA HCV Score Kit, 20 Tests
105997	Hepatitis, HCV, Rapid Signal Kit, 50 Tests
<b>Pregnancy</b>	
102739	Pregnancy Test Kit, 50 Tests
103648	Pregnancy Test Kit, Combo HCG, Each

106577	Pregnancy Test Kit, Latex, 100 Tests
102737	Pregnancy Test Kit, Rapid, 100 Tests
	<b>Syphilis</b>
104807	Syphilis Determine TP, Serum and Plasma, Kit, 100 Tests
103266	Syphilis RPR Kit, 100 Tests
102736	Syphilis RPR Kit, 150 Tests
102740	Syphilis RPR Kit, 500 Tests
103267	Syphilis TPHA 200 Kit, 200 Tests
103828	Syphilis TPHA Kit, 100 Tests
108942	Syphilis, Syphilis Rapid Device, Serum/Plasma, 40 Tests
	<b>Malaria</b>
107239	Malaria Antigen P.f./Pan Kit, 25 Tests
107817	Malaria HRPII Antigen P.f. Kit, 25 Tests
106923	Malaria P.f., Paracheck, Device, 10 Tests
103461	Malaria Paramax-3 Kit, 25 Tests
	<b>Miscellaneous</b>
106165	Chlamydia, Rapid Signal Kit, 50 Tests
106899	Influenza A and B Rapid Chromatographic Immunoassay Kit, 30 Tests
104190	PPD Tuberculine Kit, 20 Tests

## Laboratory Equipment and Supplies

This list of laboratory items includes the most commonly used items for HIV/AIDS programs. The range and type of laboratory equipment, reagents and consumables required in any laboratory operation is extensive. We can procure additional commodities to meet your needs, but special orders usually have a longer lead time.

Note that larger equipment like refrigerators will also have longer lead times than products that weigh less. For the most current list of laboratory products and supplies procured by SCMS, please visit the Laboratory Equipment and Supplies section of the e-catalog at <http://scms.pfscm.org/scms/e-catalog/lab>.

Table 4. Laboratory Equipment and Supplies Core Product List

SCMS ID Number	Description
<b>Analyzer Sub Group</b>	
103580	Biochemistry, ABX Diffrol Twin Pack 2 Normal x 3mL
106205	Biochemistry, ABX Diffrol Twin Pack, 2 Low x 3mL
108731	Biochemistry, ABX Micros, Calibrator, Minocal, Vial x 2mL
108926	Biochemistry, ABX Micros, Minoclar, 500mL
104610	Biochemistry, ABX Minotrol 16, High, Twin Pack, 2 x 2.5mL
106204	Biochemistry, ABX Minotrol 16, Low, Twin Pack, 2 x 2.5mL
103582	Biochemistry, ABX Minotrol 16, Normal, Twin Pack, 2 x 2.5mL
106572	Biochemistry, ABX Pentra 400, Amylase CP Cassette, 125 Tests
106401	Biochemistry, ABX Pentra, Albumin CP, Cassette, 327 Tests
106389	Biochemistry, ABX Pentra, ALP CP, 1 x 33mL
106390	Biochemistry, ABX Pentra, ALT CP, 1 x 70mL
106391	Biochemistry, ABX Pentra, AST CP, 1 x 70mL
106685	Biochemistry, ABX Pentra, Basolyse II, 1L
106394	Biochemistry, ABX Pentra, Calcium CP, 1 x 83mL
106414	Biochemistry, ABX Pentra, Chloride Electrode, Each
106395	Biochemistry, ABX Pentra, Cholesterol CP, 1 x 90mL
106407	Biochemistry, ABX Pentra, Clean-Chem CP, 1 x 30mL
104919	Biochemistry, ABX Pentra, Cleaner, 1L
106405	Biochemistry, ABX Pentra, Creatinine CP, 1 x 27mL
106417	Biochemistry, ABX Pentra, Cuvette Segments Rack, 450 Pcs

106406	Biochemistry, ABX Pentra, Deproteinizer CP, 1 x 30mL
106846	Biochemistry, ABX Pentra, Detergent, LDL, Direct CP, Cassette, 100 Tests
106396	Biochemistry, ABX Pentra, Direct Bilirubin CP, 1 x 31mL
106830	Biochemistry, ABX Pentra, Enzyme, LDH CP, Cassette, 125 Tests
106824	Biochemistry, ABX Pentra, Enzymes, CK NAC CP, 1 x 27mL
106412	Biochemistry, ABX Pentra, Etching CP, 1 x 25mL
106392	Biochemistry, ABX Pentra, GGT CP, 1 x 70mL
106402	Biochemistry, ABX Pentra, Glucose PAP CP, 1 x 90mL
106397	Biochemistry, ABX Pentra, Iron CP, 1 x 80mL
106393	Biochemistry, ABX Pentra, Lipase CP, 1 x 31mL
106851	Biochemistry, ABX Pentra, Magnesium RTU, 2 Vials
106386	Biochemistry, ABX Pentra, MultiCal, 10 x 3mL
106387	Biochemistry, ABX Pentra, N Control, 10 x 3mL
106388	Biochemistry, ABX Pentra, P Control, 10 x 5mL
106852	Biochemistry, ABX Pentra, Phosphorus CP, 1 Cassette
106415	Biochemistry, ABX Pentra, Potassium K+ Electrode, Each
106408	Biochemistry, ABX Pentra, Qualitest Solution, 1 x 30mL
106886	Biochemistry, ABX Pentra, Reagent Cup, 10mL, 100 Pcs
106885	Biochemistry, ABX Pentra, Reagent Cup, 4mL, 100 Pcs
106416	Biochemistry, ABX Pentra, Reference Electrode, Each
106411	Biochemistry, ABX Pentra, Reference, 1 x 100mL
106413	Biochemistry, ABX Pentra, Sodium Na+ Electrode, Each
106409	Biochemistry, ABX Pentra, Standard 1, 1 x 280mL
106410	Biochemistry, ABX Pentra, Standard 2, 1 x 100mL
106398	Biochemistry, ABX Pentra, Total Bilirubin CP, 1 x 58mL
106404	Biochemistry, ABX Pentra, Total Protein CP, 1 x 28mL
106399	Biochemistry, ABX Pentra, Triglycerides CP, 1 x 90mL
106400	Biochemistry, ABX Pentra, Urea CP, 1 x 75mL
106403	Biochemistry, ABX Pentra, Uric Acid CP, 1 x 75mL
102343	Biochemistry, ABX, Alphalyse, 400 mL
104609	Biochemistry, ABX, Diffrol Twin Pack, 2 High x 3mL
102344	Biochemistry, ABX, Diluent, 20L
102340	Biochemistry, ABX, Eosinofix, 1L
104282	Biochemistry, ABX, Minilyse LMG, 1L

103610	Biochemistry, ABX, Minotrol 16, Twin Pack, 1L 1H
103583	Biochemistry, ABX, Pentra, Micros, Miniclean, 1L
103584	Biochemistry, ABX, Pentra, Minoton, 20L
105004	Biochemistry, COBAS c, AST/GOT (ASTL, ASTPL), 4 x 100 Tests
105003	Biochemistry, COBAS c, C111, Alanine Aminotransferase, ALT/GPT, 400 Tests
107204	Biochemistry, COBAS c, C111, Creatinine Jaffe (comp.) 400 Tests
105006	Biochemistry, COBAS c, C111, Glucose HK liquid 4 x 100 Tests
106587	Biochemistry, COBAS c, C111, HDL Cholesterol +, 400 Tests
105804	Biochemistry, COBAS c, C111, ISE Calib. Ind./Urine
105806	Biochemistry, COBAS c, C111, ISE Calibration Kit
105803	Biochemistry, COBAS c, C111, ISE Chloride Electrode
105807	Biochemistry, COBAS c, C111, ISE Etcher, 2 x 11mL
105802	Biochemistry, COBAS c, C111, ISE Potassium K+ Electrode
105800	Biochemistry, COBAS c, C111, ISE Reference Electrode
105805	Biochemistry, COBAS c, C111, ISE Reference Solution
105801	Biochemistry, COBAS c, C111, ISE Sodium Na+ Electrode
105017	Biochemistry, COBAS c, C111, Microcuvettes, 1680 Pcs
105794	Biochemistry, COBAS c, C111, NaCl 9 % Diluent, 4 x 12mL
105008	Biochemistry, COBAS c, C111, Precinorm U Plus 10 x 3mL
105009	Biochemistry, COBAS c, C111, Precipath U Plus, 10 x 3mL
105022	Biochemistry, COBAS c, C111, Sample Probe, Each
105013	Biochemistry, COBAS c, C111, Thermal printer paper 112mm, 5 Rolls
105799	Biochemistry, COBAS c, C111, Triglyceride GPO-PAP, 200 Tests
102579	Biochemistry, COBAS c, Calibrator f.a.s., Protein, 5 x 1mL
107778	Biochemistry, COBAS c, Calibrator HbA1c, 3 x 2mL
105795	Biochemistry, COBAS c, Check Solution 25mL
108350	Biochemistry, COBAS c, Detergent (NAOH_D), 4 x 21mL
105015	Biochemistry, COBAS c, Electrolyte Activator 9 x 12mL
107779	Biochemistry, COBAS c, HbA1c Control N, 4 x 0.5mL
107780	Biochemistry, COBAS c, HbA1c Control P, 4 x 0.5mL
105011	Biochemistry, COBAS c, Micro Sample Cups, 0.5mL, 500 Pcs
107781	Biochemistry, COBAS c, Precinorm Protein, 3 x 1mL
104261	Biochemistry, COBAS, Bilirubin Direct, 500 Tests
108340	Biochemistry, COBAS, Creatine Kinase (CKL), 4 x 100 Tests

104359	Biochemistry, COBAS, Halogen Lamp Bulb, 12V/20W Assembly
107783	Biochemistry, COBAS, Integra, Accelerator I, 1 x 100mL
107763	Biochemistry, COBAS, Integra, Albumin, 300 Tests
107764	Biochemistry, COBAS, Integra, Alkaline Phosphatase, 200 Tests
107765	Biochemistry, COBAS, Integra, Alpha-Amylase Pancreatic, 200 Tests
103291	Biochemistry, COBAS, Integra, ALT (Alanine Amino-Transferase), 500 Tests
106039	Biochemistry, COBAS, Integra, Amylase, 300 Tests
104878	Biochemistry, COBAS, Integra, ASTL (Aspartate Amino-transferase), 500 Tests
106040	Biochemistry, COBAS, Integra, Bicarbonate, Cassette, 250 Tests
105352	Biochemistry, COBAS, Integra, Bilirubin Direct, 350 Tests
106892	Biochemistry, COBAS, Integra, Bilirubin TS Cassette/350
102401	Biochemistry, COBAS, Integra, Calibrator CFAS, 12 x 3mL
107776	Biochemistry, COBAS, Integra, Calibrator f.a.s. CK-MB, 3 x 1mL
107784	Biochemistry, COBAS, Integra, Check Cassette, 300 Tests
104880	Biochemistry, COBAS, Integra, Cholesterol, 400 Tests
107766	Biochemistry, COBAS, Integra, CK-NAC, 200 Tests
107785	Biochemistry, COBAS, Integra, Cleaner, Cassette, 150 Tests
105014	Biochemistry, COBAS, Integra, Cleaning Solution, 1L
106043	Biochemistry, COBAS, Integra, Control Abnormal for Ammonia, Ethanol, CO3, 5 x 4mL
106042	Biochemistry, COBAS, Integra, Control Normal for Ammonia, Ethanol, CO2, 5 x 4mL
104881	Biochemistry, COBAS, Integra, Creatinine, 700 Tests
104995	Biochemistry, COBAS, Integra, Cuvette Waste Container, 20 Pcs
106893	Biochemistry, COBAS, Integra, Electrode ISE Chloride
107775	Biochemistry, COBAS, Integra, Electrode ISE Lithium
106916	Biochemistry, COBAS, Integra, Electrode ISE Potassium K+
106914	Biochemistry, COBAS, Integra, Electrode ISE Reference
106915	Biochemistry, COBAS, Integra, Electrode ISE Sodium Na+
107767	Biochemistry, COBAS, Integra, Fructosamine, 150 Tests
107768	Biochemistry, COBAS, Integra, Gamma Glutamyltransferase G-GT, 400 Tests
102387	Biochemistry, COBAS, Integra, Glucose HK, 200 Tests
104883	Biochemistry, COBAS, Integra, Glucose HK, 800 Tests
107769	Biochemistry, COBAS, Integra, HbA1c TinaQuant Gen2, 150 Tests
106583	Biochemistry, COBAS, Integra, HDL Cholesterol, 200 Tests
107770	Biochemistry, COBAS, Integra, Hemolyzing Reagent for HbA1c, 1L

102453	Biochemistry, COBAS, Integra, ISE Calibrator Direct, 250mL
102454	Biochemistry, COBAS, Integra, ISE Calibrator Indirect (Urine), 250mL
104882	Biochemistry, COBAS, Integra, ISE Deproteinizer, 6 x 21mL
106035	Biochemistry, COBAS, Integra, ISE Etcher, 6 x 11mL
106917	Biochemistry, COBAS, Integra, ISE Reference Electrolyte Solution, 250mL
106036	Biochemistry, COBAS, Integra, ISE Solution 1, 6 x 17.5mL
106037	Biochemistry, COBAS, Integra, ISE Solution 2, 6 x 9.5mL
106038	Biochemistry, COBAS, Integra, ISE Solution 3, 6 x 9.5mL
107786	Biochemistry, COBAS, Integra, Kit Maintenance, 1 Year
107771	Biochemistry, COBAS, Integra, LDH12 IFCC, 300 Tests
104165	Biochemistry, COBAS, Integra, Micro Cuvettes, 20 x 1000 Pcs
106044	Biochemistry, COBAS, Integra, NH3/CO2/Ethanol Cal, 2 x 4mL
106041	Biochemistry, COBAS, Integra, Phosphate, 250 Tests
107777	Biochemistry, COBAS, Integra, Precimat Fructosamine, 3 x 1mL
107782	Biochemistry, COBAS, Integra, Precipath Fructosamine, 3 x 1mL
105000	Biochemistry, COBAS, Integra, Probe Set, 2 Pcs
103294	Biochemistry, COBAS, Integra, Sample Cup, with Hole, Blue, 1000 Pcs
104996	Biochemistry, COBAS, Integra, Sample Cups, White with Hole, 1000 Pcs
107773	Biochemistry, COBAS, Integra, Tot. Protein in Urine+Liqour, 150 Tests
107772	Biochemistry, COBAS, Integra, Tot. Protein, 300 Tests
104886	Biochemistry, COBAS, Integra, Triglycerides, 250 Tests
104888	Biochemistry, COBAS, Integra, Urea, 500 Tests
107774	Biochemistry, COBAS, Integra, Uric Acid, 400 Tests
104348	Biochemistry, Elitech, Systemic Solution, 1L
103151	Biochemistry, Elitech, Vital, ALT/GPT 4+1 SL, 2 x 62.5mL
106696	Biochemistry, Elitech, Vital, ALT/GPT 4+1 SL, 5 x 125mL
106822	Biochemistry, Elitech, Vital, Amylase SL 6 x 50mL
106637	Biochemistry, Elitech, Vital, Amylase, 6 x 20mL
103150	Biochemistry, Elitech, Vital, AST/GOT 4+1 SL, 2 x 62.5mL
102204	Biochemistry, Elitech, Vital, AST/GOT 4+1 SL, 4 x 62.5mL
106695	Biochemistry, Elitech, Vital, AST/GOT 4+1 SL, 5 x 125mL
103149	Biochemistry, Elitech, Vital, Creatinine Jaffe, 2 x 125mL
103153	Biochemistry, Elitech, Vital, Elitrol I Normal, 10 x 5mL
103152	Biochemistry, Elitech, Vital, Elitrol II Abnormal, 10 x 5mL

103148	Biochemistry, Elitech, Vital, Glucose PAP SL, 6 x 100mL
107806	Biochemistry, Elitech, Vital, HDL Cholesterol Direct SL, 1 x 80mL
106784	Biochemistry, Elitech, Vital, Maintenance Kit for Vital MicroLab Chemistry Analyzer
106821	Biochemistry, Elitech, Vital, Total Protein 4 x 250mL
107807	Biochemistry, Elitech, Vital, Total Protein Plus, 2 x 125mL
106697	Biochemistry, Elitech, Vital, Urea UV SL, 2 x 62.5mL
104660	Biochemistry, Exatrol Normal, 10 x 5mL
104662	Biochemistry, Exatrol Pathologic, 10 x 5mL
106661	Biochemistry, Fully, Amylase, 6 x 25mL
102277	Biochemistry, Fully, Automatic Clinical Chemistry Analyzer
104913	Biochemistry, Fully, Bulb, 20W 12V Lamp
103307	Biochemistry, Fully, Calibrator Kit, 5 x 5mL
103310	Biochemistry, Fully, Cleaner, 500mL
104895	Biochemistry, Fully, Control Serum Level I Kit, 5 x 5mL
103306	Biochemistry, Fully, Control Serum Level II Kit, 5 x 5mL
103305	Biochemistry, Fully, Creatinine Kit, 4 x 50mL
103308	Biochemistry, Fully, Cuvettes, 50 Pcs
103304	Biochemistry, Fully, Glucose Kit, 1 x 200mL
103302	Biochemistry, Fully, GOT/AST, 1 x 200mL
103303	Biochemistry, Fully, GPT/ALT, 1 x 200mL
103311	Biochemistry, Fully, Printer Paper
103309	Biochemistry, Fully, Sample Cups, 1000 Pcs
104736	Biochemistry, Glucose Kit, 4 x 100mL
102398	Biochemistry, Hitachi 902, ALT/GPT IFCC Sys 1, 12 x 50mL
102397	Biochemistry, Hitachi 902, AST/GOT IFCC Sys 1, 12 x 50mL
102402	Biochemistry, Hitachi 902, Cel-18 Set Microcuvettes, 18 Pcs
102396	Biochemistry, Hitachi 902, Creatinine Jaffe Sys 1, 12 x 50mL
102405	Biochemistry, Hitachi 902, Halogen Lamp
102404	Biochemistry, Hitachi 902, MultiClean, 2 x 2L
103481	Biochemistry, Hitachi 902, Nozzle S, Needle
102399	Biochemistry, Hitachi 902, Precinorm U 20 x 5mL
102400	Biochemistry, Hitachi 902, Precipath U, 20 x 5mL
102406	Biochemistry, Hitachi 902, Printer Paper, 5 Rolls
106825	Biochemistry, Humalyzer 2000 Cuvettes, 1000 Pcs

103618	Biochemistry, Humalyzer 2000 Thermal Printing Paper, 5 Rolls
106260	Biochemistry, Human, Albumin Liquicolor, 1000mL
103396	Biochemistry, Human, Alpha-Amylase Liquicolor Colorimetric Test, monoreagent, 12 x 10mL
106650	Biochemistry, Human, Alpha-Amylase Liquicolor Kit, 6 x 50mL
103395	Biochemistry, Human, Auto-Creatinine Liquicolor Kit, 2 x 100mL + 50mL
103445	Biochemistry, Human, Bilirubin Direct 375mL
105198	Biochemistry, Human, Bilirubin Direct/Total Liquicolor Complete Kit, 2 x 100mL
103394	Biochemistry, Human, Bilirubin Total, 375mL
104827	Biochemistry, Human, Cholesterol Liquicolor, Complete Kit, 4 x 100mL
103391	Biochemistry, Human, Cholesterol Liquicolor, Complete Kit, 4 x 30mL
106753	Biochemistry, Human, CK NAC activated liquiUV, 10 x 10mL
102537	Biochemistry, Human, Control Sera, Autocal Kit, 4 x 5mL
104830	Biochemistry, Human, Control Sera, HumaTrol N Kit, 6 x 5mL
104829	Biochemistry, Human, Control Sera, HumaTrol P Kit, 6 x 5mL
105034	Biochemistry, Human, Creatinine Liquicolor Colorimetric Test, Complete Kit, 200mL
106258	Biochemistry, Human, Gamma-GT liquicolor 8 x 50mL
103393	Biochemistry, Human, Glucose liquicolor Enzymatic Colorimetric Test, Complete Kit, 4 x 100mL
103608	Biochemistry, Human, GOT (ASAT) IFCC modified LiquiUV Kit, 10 x 10mL
104814	Biochemistry, Human, GOT/AST, 8 x 50mL
103607	Biochemistry, Human, GPT (ALAT) IFCC modified LiquiUV Kit, 10 x 10mL
104822	Biochemistry, Human, GPT/ALT, 8 x 50mL
106264	Biochemistry, Human, HDL Cholesterol Liquicolor Direct, 80mL
106263	Biochemistry, Human, Iron Liquicolor, 2 x 30mL
106261	Biochemistry, Human, Total Protein Liquicolor, 1000mL
108944	Biochemistry, Human, Total Protein Liquicolor, 4 x 250mL
104824	Biochemistry, Human, Urea liquiUV Kinetic GLDH method, Complete Kit, 8 x 50mL
106259	Biochemistry, Human, Uric Acid Liquicolor, 4 x 100mL
106026	Biochemistry, Olympus, AU400, ALT, 2000 Tests
106028	Biochemistry, Olympus, AU400, AST, 2000 Tests
103132	Biochemistry, Olympus, AU400, AST, 4 x 6mL and 4 x 6mL
104292	Biochemistry, Olympus, AU400, Bilirubin Total, 2000 Tests
104293	Biochemistry, Olympus, AU400, Chloride Electrode, CL
105442	Biochemistry, Olympus, AU400, Cholesterol HDL, 600 Tests
103133	Biochemistry, Olympus, AU400, Cholesterol, 4 x 22.5mL, 2000 Tests

106158	Biochemistry, Olympus, AU400, Control Serum 1, 20 x 5mL
106159	Biochemistry, Olympus, AU400, Control Serum 2, 20 x 5mL
106506	Biochemistry, Olympus, AU400, Creatinine, 1700 Tests
104256	Biochemistry, Olympus, AU400, Electrode Cleaning Solution, 100mL
104294	Biochemistry, Olympus, AU400, Potassium K+ Electrode
104554	Biochemistry, Olympus, AU400, Reference Electrode
104988	Biochemistry, Reflotron Plus Pipet, 32uL, each
104991	Biochemistry, Reflotron, Accu-Chek Softclix Pro, Lancet, 200 Pcs
104966	Biochemistry, Reflotron, Alkaline Phosphatase, ALP, 30 Tests
104968	Biochemistry, Reflotron, Amylase, 15 Tests
104969	Biochemistry, Reflotron, Bilirubin, 30 Tests
104970	Biochemistry, Reflotron, Cholesterol, 30 Tests
104986	Biochemistry, Reflotron, Clean + Check, 15 Tests
104971	Biochemistry, Reflotron, Creatinine, 30 Tests
104972	Biochemistry, Reflotron, GGT, 30 Tests
104975	Biochemistry, Reflotron, Glucose, 30 Tests
104982	Biochemistry, Reflotron, HDL Cholesterol, 30 Tests
104984	Biochemistry, Reflotron, Hemoglobin, 30 Tests
104967	Biochemistry, Reflotron, Pancreatic Amylase, 15 Tests
106465	Biochemistry, Reflotron, Pipet Tips, 100 Pcs
104964	Biochemistry, Reflotron, Plus Chemistry Analyzer
104976	Biochemistry, Reflotron, Potassium K+, 30 Tests
104985	Biochemistry, Reflotron, Precinorm HB, 4 x 2mL
104983	Biochemistry, Reflotron, Precinorm HDL, 4 x 2mL
104980	Biochemistry, Reflotron, Precinorm U, 4 x 2mL
104981	Biochemistry, Reflotron, Precipath U, 4 x 2mL
104977	Biochemistry, Reflotron, Triglycerides, 30 Tests
104978	Biochemistry, Reflotron, Urea, 15 Tests
105002	Biochemistry, Sample Cups, 2mL, 250 Pcs
105010	Biochemistry, Sample Cups, 2mL, 500 Pcs
104912	Biochemistry, Sample Cups, ABX, White, 1000 Pcs
102570	Flow Cytometry CyFlow, CD4% Easy Count Kit, 100 Tests
102890	Flow Cytometry, BD Calibrite APC Beads, 25 Tests
102891	Flow Cytometry, BD FACS Lysing Solution, 30mL

104535	Flow Cytometry, BD FACS, Calibrite Beads, 3-Color Kit, 25 Tests
102366	Flow Cytometry, BD FACS, Clean Solution, 5L
102426	Flow Cytometry, BD FACS, Lysing Solution, 100mL
104818	Flow Cytometry, BD FACS, MultiTest CD3/CD8/CD45/CD4 with Trucount Tubes, 50 Tests
102423	Flow Cytometry, BD FACS, Rinse Solution, 5L
103613	Flow Cytometry, BD FACS, Sample Prep Assistant II
103129	Flow Cytometry, BD FACS, Tritest, CD3/CD4/CD45, without Trucount Tubes, 50 Tests
105339	Flow Cytometry, BD FACS, Trucount Controls, 30 Tests
103578	Flow Cytometry, BD FACSCalibur Flow Cytometer, 3-Color
105398	Flow Cytometry, BD FACSCalibur System, FACSLoader Option
102427	Flow Cytometry, BD FACSCount Reagent Kit, Double Tube, 50 Tests
103721	Flow Cytometry, BD FACSCount, Assembly Waste Tank
106185	Flow Cytometry, BD FACSCount, CD4 Reagents, Absolute and Percentage Count, Single Tube, 50 Tests
103051	Flow Cytometry, BD FACSCount, CD4/CD3 Reagent Kit, Single Tube, 50 Tests
102369	Flow Cytometry, BD FACSCount, Control Kit, 25 Tests
104959	Flow Cytometry, BD FACSCount, Flow Cytometer
104835	Flow Cytometry, BD FACSCount, Pipetter Tips, Rack, 10 x 96 Pcs
103410	Flow Cytometry, BD FACSCount, Sheath Filter Assembly
103720	Flow Cytometry, BD FACSCount, Sheath Tank Assembly
104821	Flow Cytometry, BD FACSCount, Thermal Paper, 5 Rolls
102365	Flow Cytometry, BD FACSCount Sheath Fluid, 20L
103586	Flow Cytometry, BD Multi-Check CD4 Low Control, 2 x 2.5mL
103585	Flow Cytometry, BD Multi-Check CD4 Low Control, 2.5mL
102429	Flow Cytometry, BD Tritest, CD3/CD4/CD45, with Trucount Tubes, 50 Tests
103130	Flow Cytometry, BD Trucount, Absolute Counting Tubes, 50 Tests
104664	Flow Cytometry, Coulter, CD4, Manual Count Kit, 50 Tests
108058	Flow Cytometry, CyFlow Autopreparation & Autoloading Station
103906	Flow Cytometry, CyFlow CD4 Cell Counter Analyzer
108057	Flow Cytometry, CyFlow Counter with Autopreparation & Autoloading Station
108053	Flow Cytometry, CyFlow, CD3 Easy Count Kit, 100 Tests
108051	Flow Cytometry, CyFlow, CD4 Easy Count Kit - dry, 100 Tests
105765	Flow Cytometry, CyFlow, CD4 Easy Count Kit, 100 Tests
108052	Flow Cytometry, CyFlow, CD4% Easy Count Kit - dry, 100 Tests

108054	Flow Cytometry, CyFlow, CD8 Easy Count Kit, 100 Tests
103908	Flow Cytometry, CyFlow, Cleaning Solution, 250mL
108056	Flow Cytometry, CyFlow, ControlBlood - dry, 50 Tests
108055	Flow Cytometry, CyFlow, CountCheck Beads, Green - dry, 50 Tests
102575	Flow Cytometry, CyFlow, CountCheck Beads, Green, 2 x 25mL, 50 Tests
103910	Flow Cytometry, CyFlow, Decontamination Solution, 250mL
103909	Flow Cytometry, CyFlow, Sample Tubes, 3.5mL, 500 Pcs
106817	Flow Cytometry, CyFlow, Sheath Fluid Production Kit, for 20 x 5L
105813	Flow Cytometry, CyFlow, Sheath Fluid, 5L
103905	Flow Cytometry, CyFlow, SL FCM System, 3 Color - 5 Parameter
103911	Flow Cytometry, CyFlow, Thermal Printer Paper, 5 Rolls
107190	Flow Cytometry, Guava Auto CD4/CD4% Reagent Kit, 100 Tests
104752	Flow Cytometry, Guava, Check Kit, 50 Tests
104759	Flow Cytometry, Guava, Easy CD4%, Reagent Kit, 100 Tests
105082	Flow Cytometry, Guava, Easy CD4, Microcentrifuge Tube, 1.5mL, 500 Pcs
104757	Flow Cytometry, Guava, Easy CD4, Reagent Kit, 100 Tests
102338	Flow Cytometry, Guava, Instrument Cleaning Fluid (ICF), 100mL
106066	Flow Cytometry, Guava, ViaCount Reagent, 100 Tests
105396	Flow Cytometry, Thermal Printing Paper, 10 Rolls
104661	Hematology, Beckman Coulter, 5C Cell Control, Tripack 12 x 3.3mL
105751	Hematology, Beckman Coulter, AcT Diff, Control, 4C ES Tri-Pak, 3 x 3.3mL
107027	Hematology, Beckman Coulter, AcT Diff, S-Calibrator, 1 x 4.2mL
108948	Hematology, Beckman Coulter, AcT Pak Reagent Kit, 15L Reagent 1+ 300mL Reagent 2
103121	Hematology, Beckman Coulter, AcT, Diff Pack, 15L
105764	Hematology, Beckman Coulter, AcT, Pack Pickup Tubes, 1 Kit
106183	Hematology, Beckman Coulter, AcT, Rinse Shutdown Diluent, 500mL
108581	Hematology, Beckman Coulter, AcT, Waste Container, 10L
104654	Hematology, Beckman Coulter, AcT5diff, Calibrator, 2 x 2mL
104649	Hematology, Beckman Coulter, AcT5diff, Control Plus, H, N, L, 6 x 2.3mL
102964	Hematology, Beckman Coulter, AcT5Diff, Diluent 20L
102513	Hematology, Beckman Coulter, AcT5Diff, Fix 1L
103612	Hematology, Beckman Coulter, AcT5Diff, Hematology Automated, Each
104652	Hematology, Beckman Coulter, AcT5diff, Hgb Lyse, 400mL
102509	Hematology, Beckman Coulter, AcT5Diff, Rinse, 1L

102512	Hematology, Beckman Coulter, AcT5Diff, WBC Lyse 1L
104648	Hematology, Beckman Coulter, AcTdiff 2 Analyzer, Each
106182	Hematology, Beckman Coulter, AcTDiff2, Digital Printer, BCI B4600 W/7K Toner cartridge, Each
106181	Hematology, Beckman Coulter, AcTDiff2, Ship Kit with manuals, Each
104653	Hematology, Beckman Coulter, Cell Control, 4C Plus Tripack, 12 Vials x 3.3mL
103953	Hematology, Beckman Coulter, HmX PAK, 1300mL PAK LYSE and 350mL PAK PRESERVE
104536	Hematology, Beckman Coulter, HMX, PAK Reagents (Stabilyse/Erythrolyse), 1.65L
103124	Hematology, Beckman Coulter, MAXM, Clenz, 5L
103123	Hematology, Beckman Coulter, MAXM, Isoton III Diluent, 20L
103125	Hematology, Beckman Coulter, MAXM, Lyse S III Differential Lytic Reagent, 1L
104798	Hematology, Cell-Dyn 18 Plus Controls, Tri-Level, 12 x 2.5mL
108274	Hematology, Cell-Dyn 18 Plus Controls, Tri-Level, 6 x 2.5mL
104799	Hematology, Cell-Dyn 18 Plus, Calibrator, 2 x 3mL
104793	Hematology, Cell-Dyn 1800, Cyan-Free Diff Lyse, 3.8L
104795	Hematology, Cell-Dyn 1800, Detergent, 20L
104812	Hematology, Cell-Dyn 22, Tri-Level Control, 12 x 2.5mL
108275	Hematology, Cell-Dyn 26 Plus Controls, Tri-Level, 6 x 2.5mL
102526	Hematology, Cell-Dyn 3500, 3700, Detergent Reagent, 20L
104806	Hematology, Cell-Dyn 3700, Cyan-Free HGB WIC Lyse, 3.8L
104809	Hematology, Cell-Dyn 3700, Sheath Reagent, 10L
104810	Hematology, Cell-Dyn HemCal Plus Calibrator, 2 x 3mL
102523	Hematology, Cell-Dyn, CD3000, 3500, 3700 Diluent Reagent, 20L
104792	Hematology, Cell-Dyn, Enzymatic Cleaner Concentrate, 2 x 50mL
102520	Hematology, Cell-Dyn, Isotonic Diluent, 20L
103162	Hematology, Sysmex, CellClean, 50mL
104694	Hematology, Sysmex, Cellpack, 20L
106677	Hematology, Sysmex, Control E-Check High, 1 x 4.5mL
106671	Hematology, Sysmex, Control E-Check High, 8 x 4.5mL
106678	Hematology, Sysmex, Control E-Check Low, 1 x 4.5mL
103163	Hematology, Sysmex, Control E-Check Low, 7 x 4.5mL
106670	Hematology, Sysmex, Control E-Check Low, 8 x 4.5mL
106676	Hematology, Sysmex, Control E-Check Normal, 1 x 4.5mL
103164	Hematology, Sysmex, Control E-Check Normal, 7 x 4.5mL
106669	Hematology, Sysmex, Control E-Check Normal, 8 x 4.5mL

106629	Hematology, Sysmex, Eightcheck -H, 1.5mL x 12 Vials
104491	Hematology, Sysmex, EightCheck -H, 1.5mL, 1 Vial
106630	Hematology, Sysmex, Eightcheck -L, 1.5mL x 12 Vials
104490	Hematology, Sysmex, EightCheck -L, 1.5mL, 1 Vial
106628	Hematology, Sysmex, Eightcheck -N, 1.5mL x 12 Vials
104489	Hematology, Sysmex, EightCheck -N, 1.5mL, 1 Vial
104693	Hematology, Sysmex, KX-21N, Automated Hematology Analyzer
102346	Hematology, Sysmex, KX21N, Thermal Printer Paper Rolls, 3 Pcs
104670	Hematology, Sysmex, POCH-100i, Diluent, 2 x 2L
104671	Hematology, Sysmex, POCH-100i, Lysing Reagent, 2 x 250mL
106777	Hematology, Sysmex, POCH-100i, Poch-pack 65 (D+L), 65 Cycles
105781	Hematology, Sysmex, POCH-100i, Thermal Printer Paper, 50 Rolls
103951	Hematology, Sysmex, Ret-Search II diluent (1L) + dye (12mL)
104026	Hematology, Sysmex, Stromatolyser 4DL, 2L
106444	Hematology, Sysmex, Stromatolyser 4DL, 5L
104564	Hematology, Sysmex, Stromatolyser 4DS, 1 x 42mL
104697	Hematology, Sysmex, Stromatolyser 4DS, 3 x 42mL
103161	Hematology, Sysmex, Stromatolyser FB, 5L
104669	Hematology, Sysmex, Stromatolyser SWH, 3 x 500mL
106550	Hematology, Sysmex, Sulfolyser, 3 x 500mL
106726	Hematology, Sysmex, Sulfolyser, 500mL
103160	Hematology, Sysmex, Sulfolyser, 5L
108913	Hematology, Sysmex, Thermal Printer Paper TP2, 5 Rolls
106614	Immunoassay, Architect i2000, Anti HCV Calibrator Kit
106613	Immunoassay, Architect i2000, Anti HCV Control Kit
106612	Immunoassay, Architect i2000, Anti HCV Reagent Kit, 2000 Tests
106615	Immunoassay, Architect i2000, Concentrated Wash Buffer, 4 x 1L
106610	Immunoassay, Architect i2000, HBs Ag Calibrators 2 x 4mL
106609	Immunoassay, Architect i2000, HBs Ag Control Kit
106611	Immunoassay, Architect i2000, HBs Ag Manual Diluent Kit
106608	Immunoassay, Architect i2000, HBs Ag Reagent Kit, 2000 Tests
106607	Immunoassay, Architect i2000, HIV Combo Calibrator Kit
106606	Immunoassay, Architect i2000, HIV Combo Control Kit
106605	Immunoassay, Architect i2000, HIV Combo Reagent Kit, 2000 Tests

106616	Immunoassay, Architect i2000, Pre-trigger Solution, 4 x 975mL
106622	Immunoassay, Architect i2000, Probe, Conditioning
107639	Immunoassay, Architect i2000, Probe, Sample/Reagent
106618	Immunoassay, Architect i2000, Reaction Vessel, 2000 Pcs
106619	Immunoassay, Architect i2000, Replacement Caps, 100 Pcs
106620	Immunoassay, Architect i2000, Sample Cup, 1000 Pcs
106621	Immunoassay, Architect i2000, Septums, 200 Pcs
107635	Immunoassay, Architect i2000, Syphilis TP Calibrator, 2 Levels
107636	Immunoassay, Architect i2000, Syphilis TP Control, 3 Levels
107634	Immunoassay, Architect i2000, Syphilis TP Reagent Kit, 500 Tests
106617	Immunoassay, Architect i2000, Trigger Solution, 3000 Tests
106431	Microbiology, Bactec MGIT 960, 7mL Tubes, 100 Pcs
106432	Microbiology, Bactec MGIT 960, Calibrators Kit
106467	Microbiology, Bactec MGIT 960, Starter Group
106466	Microbiology, Bactec MGIT 960, System
106468	Microbiology, Bactec MGIT, AST Starter Group
106209	Microbiology, Bactec MGIT, Calibrator Replacement
106475	Microbiology, Bactec MGIT, Ethambutol 7.5 Kit
106474	Microbiology, Bactec MGIT, Isoniazid 0.4 Kit
106469	Microbiology, Bactec MGIT, Line Conditioner
106472	Microbiology, Bactec MGIT, PZA Drug Kit
106471	Microbiology, Bactec MGIT, PZA Medium, 25 Pcs
106208	Microbiology, Bactec MGIT, Reader
106470	Microbiology, Bactec MGIT, Specimen Digestion Kit
106473	Microbiology, Bactec MGIT, Streptomycin 4.0 Kit
108093	Molecular, Amplicor, HIV-1 Monitor Test V1.5, 24 Tests
104700	Molecular, COBAS, Amplicor, AmpliTaq DNA Polymerase, with buffer II, 12 x 250 Units
106532	Molecular, COBAS, Amplicor, A-ring holder
106053	Molecular, COBAS, Amplicor, A-Rings, 12 x 24 Rings
106050	Molecular, COBAS, Amplicor, Chlamydia Trachomatis (CT) Detection Kit, 100 Tests
106049	Molecular, COBAS, Amplicor, Chlamydia Trachomatis/Neisseria Gonorrhoeae (CT/NG) Amplification Kit, 96 Tests
106048	Molecular, COBAS, Amplicor, Chlamydia Trachomatis/Neisseria Gonorrhoeae (CT/NG) Specimen Preparation Kit, 100 Tests
106047	Molecular, COBAS, Amplicor, Conjugate Detection Reagent Kit, 200 Tests

106054	Molecular, COBAS, Amplicor, D-Cups, 12 x 70 Cups
106051	Molecular, COBAS, Amplicor, Detection Reagent Kit, 100 Tests
106045	Molecular, COBAS, Amplicor, Internal Control Detection Kit, 100 Tests
106046	Molecular, COBAS, Amplicor, Neisseria Gonorrhoeae (NG) Detection Kit, 100 Tests
106052	Molecular, COBAS, Amplicor, STD Swab Specimen Collection and Transportation Kit, 50 Tests
103841	Molecular, COBAS, Amplicor, Wash buffer, 500 Tests IVD CE, 2 x 1L
105219	Molecular, COBAS, TaqMan, AmpliPrep, HIV-1, Qualitative, 48 Tests
107699	Molecular, COBAS, TaqMan, Ampliprep, Input S-tubes, 12 x 24
107052	Molecular, COBAS, TaqMan, Ampliprep, K-tips, 1.2mm, 12 x 36
107050	Molecular, COBAS, TaqMan, Ampliprep, Output S-tubes, 12 x 36
107051	Molecular, COBAS, TaqMan, Ampliprep, SPU, 12 x 24
107049	Molecular, COBAS, TaqMan, AmpliPrep, Wash Reagent, 5.1L
107048	Molecular, COBAS, TaqMan, CAP/CTM HIV v2.0, Quantitative, 48 Tests
106919	Molecular, COBAS, TaqMan, Hep B, HBV Kit, Quantitative, 48 Tests
106920	Molecular, COBAS, TaqMan, Hep C, HCV Kit, Quantitative, 48 Tests
105019	Molecular, COBAS, TaqMan, High Pure System Viral Nucleic Acid Kit, 48 Tests
105021	Molecular, COBAS, TaqMan, HIV-1 Kit, Quantitative, 48 Tests
104993	Molecular, COBAS, TaqMan, K-Tubes, 12 x 96 Pcs
	<b>Apparel Sub Group</b>
102738	Apron, Reusable, Autoclavable, Each
103763	Lab Coat, Basic, Blue, Lg, 25 Pcs
103762	Lab Coat, Basic, Blue, Med, 25 Pcs
103761	Lab Coat, Basic, Blue, Sm, 25 Pcs
103760	Lab Coat, Basic, White, Lg, 25 Pcs
103759	Lab Coat, Basic, White, Med, 25 Pcs
103758	Lab Coat, Basic, White, Sm, 25 Pcs
103196	Lab Coat, Blue, Disposable, Polypropylene, Med, 30 Pcs
105456	Lab Coat, Disposable, Polypropylene, Lg, 30 Pcs
105457	Lab Coat, White, Disposable, Polypropylene, Lg, 10 Pcs
102943	Lab Coat, White, Lg, Each
102942	Lab Coat, White, Med, Each
102945	Lab Coat, White, XX-Lg, Each
107106	Protective Surgical Cap, Blue, Universal Size, 100 Pcs

<b>Bags Sub Group</b>	
103355	Bag Holder, Biohazard, Wire, Round, for 24in Bags, Each
104163	Bag, Biohazard, 10 x 10in, Autoclave, Clear, Plain, 100 Pcs
103180	Bag, Biohazard, 14 x 19in, Autoclave, Red, Printed, 1.5Mil, 200 Pcs
103325	Bag, Biohazard, 19 x 23in, Autoclave, Red, Printed, 200 Pcs
102664	Bag, Biohazard, 24 x 30in, Autoclave, Clear, 2mil, 200 Pcs
103059	Bag, Biohazard, 24 x 36in, Autoclave, Clear, Printed, 1.5mil, 200 Pcs
103183	Bag, Biohazard, 36 x 45in, Autoclave, Clear, Printed, 2mil, 100 Pcs
102626	Bag, Biohazard, 37 x 48in, Autoclave, Red, Printed, 2mil, 100 Pcs
104289	Bag, Biohazard, 38 x 48in, Autoclave, Red, Printed, 1.5mil, 100 Pcs
103169	Bag, Biohazard, 8 x 12in, Autoclave, Red, Printed, 1.5mil, 200 Pcs
106265	Bag, Biohazard, 8.5 x 11in, Orange, No-indicator, 100 Pcs
105213	Bag, Garbage, Black, 24 x 32in, 500 Pcs
103765	Bag, Specimen, 7 x 8in, Long Term Storage, 250 Pcs
103400	Bag, Zipper Close, 10 x 15cm, 100 Pcs
106654	Bag, Zipper Close, 3 x 5in x 2mL, 1000 Pcs
104091	Bag, Zipper Close, 6 x 9in x 4mL, Write-On Strip, 1000 Pcs
<b>Blood Grouping Sub Group</b>	
104236	Blood Grouping, Anti-A, 10mL x 1 Vial
107494	Blood Grouping, Anti-A, 10mL x 10 Vials
104245	Blood Grouping, Anti-A, Anti-B, Murine Monoclonal, 10mL x 15 Vial
104243	Blood Grouping, Anti-A, B, 10mL x 1 Vial
104239	Blood Grouping, Anti-A1 Lectin, 1 Vial
104237	Blood Grouping, Anti-B, 10mL x 1 Vial
107495	Blood Grouping, Anti-B, 10mL x 10 Vials
104241	Blood Grouping, Anti-D, 10mL x 1 Vial
103728	Blood Grouping, Anti-H Lectin, 5mL x 1 Vial
104240	Blood Grouping, Anti-Human Globulin, 10mL x 1 Vial
103726	Coombs, Control Cells, 1 x 10mL
<b>Centrifuge Sub Group</b>	
106101	Rack, Centrifuge Tube, Plastic, 8 Place, 50mL Tubes, Each
105540	Tube, 15mL, Conical, Polypropylene, 500 Pcs

105467	Tube, Centrifuge, 15mL, Plastic, Conical Bottom, Plug Cap, Sterile, 500 Pcs
105393	Tube, Centrifuge, 2mL, Glass, Conical Bottom, no Cap, 12 Pcs
105468	Tube, Centrifuge, 50mL, Plastic, Conical Bottom, Plug Cap, Sterile, 500 Pcs
105993	Tube, Centrifuge, Glass, 40mL, Conical Bottom, Not Graduated, Pour Spout, Glass, 12 Pcs
105994	Tube, Centrifuge, Glass, 5mL, Conical Bottom, no cap, 12 Pcs
<b>Chemicals Sub Group</b>	
106025	Chemical, Bleach, Sodium Hypochlorite Solution, 5%, 1L
103794	Chemical, Bleach, Sodium Hypochlorite Solution, 6%, 1L
104562	Chemical, Bleach, Sodium Hypochlorite, 750mL
104102	Chemical, Copper Sulfate 10%, 500mL
104222	Chemical, Ethanol, Ethyl Alcohol, 70%, 1 Gallon
103496	Chemical, Ethanol, Ethyl Alcohol, 95%, 1L
104563	Chemical, Ethanol, Spirit Methylated, 2.5L
104103	Chemical, Hydrogen Peroxide 3%, Amber Glass, 500mL
105168	Chemical, Phenol, Crystal, 500g
106631	Chemical, Sodium Chloride, AR, Crystal, 500g
<b>Cleaning Aids Sub Group</b>	
107387	Bucket, Stainless Steel, 10L
<b>Clinical Products Sub Group</b>	
103372	Surgical Tape, White, Roll 2.5cm x 9m, 12 Pcs
107465	Suture, 75cm, Absorbable, Coated, Braided Undyed, 3/0, 26mm, 3/8 Circle Reverse Cutting Needle, 12 Pcs
105473	Syringe, no Needle, 10mL, Luer Lok, Sterile, 100 Pcs
105474	Syringe, no Needle, 20mL, Luer Lok, Sterile, 160 Pcs
105472	Syringe, no Needle, 5mL, Luer Lok, Sterile, 100 Pcs
107558	Syringe, w/Needle, 10mL, 21G x 1.5in, Luer Lok, Green Hub, Sterile, 100 Pcs
104841	Syringe, w/Needle, 5mL, 21G x 1.5in, 2-piece pack, Luer Slip, 1800 Pcs
104867	Syringe, w/Needle, 5mL, 21G x 1.5in, 3-piece pack with breakable plunger, Luer, 100 Pcs
107557	Syringe, w/Needle, 5mL, 21G x 1.5in, Luer Lok, 100 Pcs
107036	Syringe, w/Needle, Auto-Disable, 2mL, 21G x 1.5in, 100 Pcs
106984	Syringe, w/Needle, Auto-Disable, 2mL, 23G x 1in, 100 Pcs
106985	Syringe, w/Needle, Auto-Disable, 5mL, 21G x 1.5in, 100 Pcs

104869	Syringe, w/Needle, Auto-Disable, 5mL, 23G x 1.25in, 100 Pcs
105210	Syringe, w/Needle, Insulin, 1mL, 28G x 0.5in, 100 Pcs
104854	Syringe, w/Needle, Safety-Lok, Sliding Sleeve, 10mL, 21G x 1.5in, 400 Pcs
104855	Syringe, w/Needle, Safety-Lok, Sliding Sleeve, 3mL, 23G x 1in, 800 Pcs
104856	Syringe, w/Needle, Safety-Lok, Sliding Sleeve, 3mL, 25G x 5/8in, 800 Pcs
104857	Syringe, w/Needle, Safety-Lok, Sliding Sleeve, 5mL, 21G X 1.5in, 400 Pcs
104843	Syringe, w/Retracting Needle, 3mL, 21G x 1in, 100 Pcs
104844	Syringe, w/Retracting Needle, 3mL, 22G x 1.5in, 1000 Pcs
104845	Syringe, w/Retracting Needle, 3mL, 23G x 1in, 100 Pcs
104849	Syringe, w/Shielding Needle, 10mL, 22G x 1.5in, Luer Lok, 400 Pcs
104850	Syringe, w/Shielding Needle, 1mL, 25G x 5/8in, 400 Pcs
104853	Syringe, w/Shielding Needle, 3mL, 22G x 1.5in, 400 Pcs
104851	Syringe, w/Shielding Needle, 3mL, 23G x 1in, Luer Lok, 400 Pcs
104852	Syringe, w/Shielding Needle, 3mL, 25G x 5/8in, Luer Lok, 400 Pcs
104272	Test Strips, Blood Glucose, 50 Pcs
105535	Test Strips, Urinalysis Strips, 100 Tests
102276	Tourniquet, Latex Free, Blue, Adult, 100 Pcs
104161	Tourniquet, Latex, Disposable, 1 x 18in, 1000 Pcs
	<b>Containers Sub Group</b>
105133	Biohazard Waste Containers, Step-On, Red, 10 Gallon, Each
105134	Biohazard Waste Containers, Step-On, Red, 14 Gallon, Each
103227	Biohazard Waste Containers, Step-On, Red, 18 Gallon, Each
105132	Biohazard Waste Containers, Step-On, Red, 6 Gallon, Each
104422	Biohazard Waste Containers, Step-On, Red, 8 Gallon, Each
105244	Specimen Storage Container, Multipurpose, 8oz, 100 Pcs
	<b>Filter Sub Group</b>
105223	Filter Paper, Fiber, Fluted Circles, 18.5cm, 100 Pcs
104269	Filter Paper, Round, 12.5cm, 100 Pcs
104263	Filter Paper, Round, 24cm, 100 Pcs
	<b>Gloves Sub Group</b>
104188	Gloves, Exam, Latex, Powdered, Non-Sterile, Lg, 100 Pcs
104187	Gloves, Exam, Latex, Powdered, Non-Sterile, Med, 100 Pcs

104189	Gloves, Exam, Latex, Powdered, Non-Sterile, Sm, 100 Pcs
105069	Gloves, Exam, Latex, Powder-Free, Non-Sterile, Lg, 100 Pcs
105068	Gloves, Exam, Latex, Powder-Free, Non-Sterile, Med, 100 Pcs
104186	Gloves, Exam, Latex, Powder-Free, Non-Sterile, Sm, 100 Pcs
103222	Gloves, Exam, Nitrile, Powder-Free, Non-Sterile, Lg, 100 Pcs
103223	Gloves, Exam, Nitrile, Powder-Free, Non-Sterile, Med, 100 Pcs
103224	Gloves, Exam, Nitrile, Powder-Free, Non-Sterile, Sm, 100 Pcs
102447	Gloves, Exam, Nitrile, Powder-Free, Non-Sterile, X-Lg, 100 Pcs
105936	Gloves, Nitrile, Utility, Medium, 12 Pair
106759	Gloves, Sterile Surgical, Latex, Powdered, Size 7, 50 Pair
102444	Gloves, Sterile Surgical, Latex, Powdered, Size 7.5, 50 Pair
102273	Gloves, Sterile Surgical, Latex, Powdered, Size 8, 50 Pair
106758	Gloves, Sterile Surgical, Latex, Powdered, Size 8.5, 50 Pair
<b>Lab Products Sub Group</b>	
104516	Bench Cover, Absorbent, Plastic Backing, 20in x 300ft, 2 Rolls
106372	Bench Cover, Absorbent, Plastic Backing, 43 x 61cm, 17 x 24in, 50 Pcs
107389	Brush, Cleaning, 36cm Twisted Wire, 1.2 x 5cm Nylon Bristles, Each
105220	Bunsen Burner, for Natural Gas, Each
104723	Calimat, Lyophilized bovine serum for the calibration of substrates and electrolytes, 10 x 5mL
104392	Hemocytometer, Counting Chamber, 2 Chambers, Each
104483	Humidity Indicator Card, 1000 Pcs
105226	Lab Counter with Six Counting Units, Each
105461	Paper Punch, Whatman, Each
104713	PCR Tube, with Caps, 0.2mL, 1000 Pcs
105466	Tray, Stainless Steel Utility Tray, 10 x 6.5 x 2in, Each
103070	Weighing Paper, 76 x 76mm, Low Nitrogen, 500 Pcs
<b>Lab Test Sub Group</b>	
106546	Chagas, Third Gen, ELISA Kit, 192 Tests
103555	Enzygnost TMB Supplementary Reagent Kit, 960 Tests
104876	Hepatitis, HBsAg, ELISA Kit, 96 Tests
107663	Hepatitis, HBsAg, Hepanostika Ultra, ELISA Kit, 576 Tests
105960	Hepatitis, HBsAg, Monolisa ULTRA, ELISA Kit, 480 Tests
107126	Hepatitis, HBsAg, Monolisa ULTRA, ELISA Kit, 96 Tests

107647	Hepatitis, HBsAg, Murex V3, ELISA Kit, 480 Tests
105881	Hepatitis, HCV Ab, Diapro, ELISA Kit, 96 Tests
103931	Hepatitis, HCV Ab, ELISA Kit, 96 Tests
106571	Hepatitis, HCV Ag-Ab, Monolisa Ultra, ELISA Kit, 480 Tests
104847	Hepatitis, HCV, Murex Anti-HCV, ELISA Kit, 96 Tests
106463	HIV 1, BED Incidence EIA, ELISA Kit, 192 Tests
104718	HIV 1, ELAVIA 1, ELISA Kit, 96 Tests
107025	HIV 1/2-O, Genscreen Ultra HIV Ag-Ab, ELISA Kit, 480 Tests
105883	HIV 1/2-O, Genscreen Ultra HIV Ag-Ab, ELISA Kit, 96 Tests
102956	HIV 1/2-O, Murex 1.2.0, ELISA Kit, 480 Tests
104872	HIV 1/2-O, Murex ELISA Kit, 96 Tests
102955	HIV 1/2-O, Murex HIV AG/AB Combination, ELISA Kit, 96 Tests
102961	HIV 1/2-O, Vironostika HIV Uni-Form II Ag/Ab, ELISA Kit, 576 Tests
102959	HIV 1/2-O, Vironostika HIV Uni-Form II Plus 0 Kit, 192 Tests
107808	HIV 1/2-O, Vironostika Uni-Form II Ag/Ab Kit, 192 Tests
104893	HIV 1/2-O, Vironostika Uni-form II Plus 0, ELISA Kit, 576 Tests
104719	HIV 2, ELAVIA 2, ELISA Kit, 96 Tests
108231	HIV BLOT Version 2.2 Western Blots, 36 Strips
106348	HIV, Detect Ag/Ab Combo, ELISA Kit, 480 Tests
105741	HIV, Enzygnost HIV Integral II Kit, 192 Tests
104730	HTLV I + II, Vironostika, ELISA Kit, 192 Tests
104875	HTLV I+II, Murex, ELISA Kit, 96 Tests
108248	PCR Assay, ABI, HIV 1, ViroSeq Integrase Genotyping Sequencing Kit, 48 Tests
108249	PCR Assay, ABI, HIV 1, ViroSeq Integrase Sample Prep Kit, 48 Tests
105882	Syphilis Ab, Diapro, ELISA Kit, 96 Tests
104874	Syphilis, Murex TPHA, ELISA Kit, 96 Tests
	<b>Labware Products Sub Group</b>
106456	Cylinder, Graduated, Glass, Class B, 100mL, 1mL Grads, 2 Pcs
106457	Cylinder, Graduated, Glass, Class B, 25mL, .5mL Grads, 2 Pcs
104328	Cylinder, Graduated, Plastic, 250mL, Each
105950	Cylinder, Graduated, Plastic, 50mL, Each
105224	Funnel, Liquids, LPDE, 194mm, 6 Pcs
	<b>Labels Products Sub Group</b>

105141	Label, Biohazard, 5 x 5in, 250 Pcs
105576	Label, Self-Adhering Label Tape, Blue, Roll 3/4in, 60Y, 4 Pcs
105574	Label, Self-Adhering Label Tape, Red, Roll 3/4in, 60Y, 4 Pcs
	<b>Media Sub Group</b>
105434	Media, Columbia Blood Agar Base, 500g
107105	Media, IsoVitaleX Enrichment, 2 mL lyophilized, with 2 mL Diluent, 5 Pcs
104311	Media, MacConkey Agar, 500g
104318	Media, Simmons Citrate Agar, Dehydrated, 500g
106635	Media, Triple Sugar Iron Agar (TSI), 500g
	<b>Microscopy Sub Group</b>
102709	Immersion Oil, Type A, 12 x 4oz
105387	Immersion Oil, Type B, 4oz
105218	Lens Paper Cleaning Tissues, 4 x 6in, 50 Sheets
104166	Microscope Slide Cover Glass, Rectangle, No 1.5, 22 x 40mm, 10 Oz Pack
105392	Microscope Slide Cover Glass, Rectangular, For Counting Chamber, Double, .8 x 1in, 1 Pack x 12 Pcs
103657	Microscope Slide Cover Glass, Square, 18mm, 1Oz Pack
104312	Microscope Slide Cover Glass, Square, 22mm, 1 Oz Pack
104057	Microscope Slide Cover Glass, Square, 25mm, 1 Oz Pack
105326	Microscope Slide Cover Slip, Plastic, Square, 22mm, 1000 Pcs
105386	Microscope Slide, 25 x 75mm, Frosted, 144 Pcs
105167	Microscope Slide, 25 x 75mm, Frosted, 50 Pcs
105029	Microscope Slide, 25 x 75mm, Plain Glass, 144 Pcs
105222	Slide Box, Plastic, Hinged Lid, 100 Slides, White, Each
105184	Slide Rack, Slide Staining, Black, Polyactetal, for 25 Slides, Each
	<b>PCR Products Sub Group</b>
105406	DBS, Glassine Envelopes, 3.25 x 4.875in, 100 Pcs
103078	DBS, Protein Saver Card, 5 x 1.5in spots per card, 100 Pcs
103417	DBS, Protein Saver Cards Dry rack, without Velcro, 10 Pcs
106366	DBS, Rack, Drying, For Dried Blood Spot Cards, 10 Pcs
107015	Molecular, PCR Assay, m2000sp/rt, RealTime HIV-1, Amplification Reagent Kit, 4 Packs x 24 Assays
107016	Molecular, PCR Assay, m2000sp/rt, RealTime HIV-1, Control Kit, 8 Low Positive, 8 High Positive, 8

	Negative
107014	Molecular, PCR Assay, m2000sp/rt, RealTime HIV-1, Preparation System Reagents RNA & DNA, 4 x 24 Preps
107017	Molecular, PCR Assay, m2000sp/rt, RealTime HIV-1, Calibrator Kit 12 Cal A, 12 Cal B, 4 Complete Calibration Sets
107019	Molecular, PCR Assay, m2000sp/rt, RealTime HIV-1, Optical Adhesive Covers, 100 Pcs
108250	Molecular, PCR Cleanup Kit, ExoSAP-IT, 100 Reactions
104003	Molecular, PCR Microplate, 96-Well, Flat Bottom, Clear, Non-Sterile, 100 Pcs
107018	Molecular, PCR Microplate, 96-Well, Optical Reaction, Clear, 20 Pcs
107026	Molecular, PCR Microplate, 96-Well, V-Bottom, Clear, Non-Sterile, 100 Pcs
104705	Molecular, PCR Tube Strips, 0.2mL, w/Flat Cap Strip, Natural, 8-Well, 250 Pcs
104706	Molecular, PCR, Film, Microplate Sealing Film, 120 x 79mm, 100 Pcs
103359	Molecular, PCR, Thermal Adhesive Sealing Film, 100 Pcs
	<b>Pipet Sub Group</b>
105090	Dropper Bulb, for Pasteur Pipets, 3mL, 24 Pcs
104113	Dropper Bulb, for Pasteur Pipets, natural blue rubber, 1mL, 24 Pcs
104689	Pipet Tips, ART Barrier, 1-200uL, Sterile, Rack 10 x 96 Pcs
102899	Pipet Tips, Blue, 100-1000uL, Bulk 1000 Pcs
105812	Pipet Tips, Blue, 100-1000uL, Sterile, Rack, 1000 Pcs
106087	Pipet Tips, Eppendorf Combitip Plus, 10ml, 100uL-2000mL, 100 Pcs
106086	Pipet Tips, Eppendorf Combitip Plus, 25ml, 250uL-5mL, 100 Pcs
105886	Pipet Tips, Eppendorf, 2-200uL, Bulk pack, 1000 Pcs
104387	Pipet Tips, Yellow, 0-200uL, Bulk 1000 Pcs
105464	Pipet, Serological, Plastic, 10mL, Sterile, Disposable, Orange, 200 Pcs
104169	Pipet, Serological, Plastic, 2.0mL, Plugged, Sterile, Disposable, Individually Wrapped, Green, 1000 Pcs
105465	Pipet, Serological, Plastic, 25mL, Sterile, Disposable, Red, 200 Pcs
103339	Pipet, Serological, Plastic, 5mL, Plugged, Disposable, Sterile, Blue, 200 Pcs
102209	Pipet, Transfer, 4mL Draw, Disposable, Non-Sterile, 500 Pcs
105016	Pipet, Transfer, 5.8mL, Non-Sterile, Fine Tip, 500 Pcs
105558	Pipetter Carousel Stand, 6 Place, Each
105370	Pipetter Stand, Plastic, 6 Place, Each
105418	Pipetter, 1 Channel, Digital, -1000uL, Each
105459	Pipetter, 1 Channel, Digital, -100uL, Each
105417	Pipetter, 1 Channel, Digital, -200uL, Each

104542	Pipetter, 1 Channel, Digital, -20uL, Each
103766	Pipetter, 1 Channel, Digital, -20uL, Each
103194	Pipetter, 1 Channel, Eppendorf Repeater Plus, -10mL, Each
105416	Pipetter, 1 Channel, Eppendorf, Digital, -100uL, Each
102932	Pipetter, 8 Channel, Adjustable Volume, -300uL, Each
102542	Pipetter, 8 Channel, Adjustable Volume, -50uL, Each
103769	Pipetter, 8 Channel, Digital, -200uL, Each
102543	Pipetter, 8 Channel, Digital, -300uL, Each
105097	Pipetting Device, Portable Pipet Aid, Single Speed, Rechargeable, Each
106666	Rubber Bulb, for Pipets and Syringes, 10mL, Each
106667	Rubber Bulb, for Pipets and Syringes, 15mL, Each
106668	Rubber Bulb, for Pipets and Syringes, 35mL, Each
<b>Reagent Sub Group</b>	
102531	Biochemistry, Alkaline Phosphatase Liquicolor DEA Buffer, DGKC Kit, 8 x 50mL
102684	Biochemistry, Enzymes, Alkaline Phosphatase Kit, 10 x 10mL
103392	Biochemistry, Triglycerides Liquicolor Mono, Complete Kit, 4 x 100mL
102573	Cleaning and Rinsing Solution, 250mL
105548	Hemoglobin Standard, 20g/dL, 6 x 15 mL
103368	Phosphate Buffered Saline + Tween 20 (PBST), 10 Packets
105543	Reagent, GOT Colorimetric Set, 2 x 50 mL, 100 Tests
105544	Reagent, GPT Colorimetric Set, 2 x 50 mL, 100 Tests
<b>Safety Sub Group</b>	
103186	Eyewash Station, Sterile, Each
102667	Face Masks, With Ear Loops, 50 Pcs
104409	First Aid Kit, 36 Units, Each
107390	Goggles, Safety, Vented, Each
104920	Mask, Respirator, N95 Disposable Particulate, 20 Pcs
106094	Mask, Respirator, N95, 3M, with exhalation valve, 120 Pcs
107107	Mask, Surgical, Protective 3-Layer Construction, w/Ties, 50 Pcs
105146	Safety Glasses, Anti-scratch/Fog, Blue Frame, Each
107425	Surgical Scrub, 4% CHG, 1 Gallon
107439	Utility Container, 44 Gallon, Yellow, Each

<b>Staining Sub Group</b>	
105490	Stain, Gram Stain Kit w/stabilized iodine, One 250mL bottle each of Gram Crystal Violet, Iodine, Gram Decolorizer and Gram Safranin
105738	Stain, Gram Stain Kit w/unstabilized iodine, One 250mL bottle each of Gram Crystal Violet, Iodine, Gram Decolorizer and Gram Safranin
104307	Stain, Harris Alum Hematoxylin, Congo Red Stain, 2 x 250mL
105384	Stain, Hema 3 System, PROTOCOL, Includes Fixative and Solutions I + II, 3 x 500mL
106195	Stain, TB Acid Fast, Fluorescent Stain Kit T, Auramine / Rodamine / Decolorizer / Permanganate, 250mL
<b>Stationery Sub Group</b>	
104309	India Ink, Stain Dropper, Ampule, 50 Pcs
103497	Paper, A4 Standard, 500 Sheets
103343	Pen, Lab Marker, Extra-Fine Tip, Black, 10 Pcs
103075	Pen, Lab Marker, Extra-Fine Tip, Black, 12 Pcs
104106	Pen, Lab Marker, Extra-Fine Tip, Red, 10 Pcs
104426	Pen, Lab Marker, Fine Tip, Black, 10 Pcs
102698	Pen, Lab Marker, Fine Tip, Black, Each
105822	Standard Laboratory Notebook, 100 Sewn-in Pages, 6.3mm Grid, Each
<b>Stirrers Sub Group</b>	
105776	Mixer, Vortex Mixer, 230V
103744	Mixer, Vortex Variable Speed, Each
<b>Swab Sub Group</b>	
103744	Mixer, Vortex Variable Speed, Each
<b>Test Tubes Sub Group</b>	
105971	Hematology, HemoCue, Microcuvettes, 201+, 200 Pcs
105037	Hematology, QBC AccuTube, 100 Pcs
105212	Microtube, 2.0mL, w/o skirt, Non-Sterile, Flat Top, 1000 Pcs
103022	Rack, Test Tube, 40 Place, 20mm Tubes, Each
103207	Rack, Test Tube, Epoxy Coated Wire, 72 Place, 13mL Tubes, 3-deck, no legs, Each
105230	Rack, Test Tube, Metal - Baked Enamel. 32 Place, 16mm tubes, 6 Pcs
105463	Rack, Test Tube, Plastic, 4-way fits 0.5 to 50mL, Interlocking, Assorted Colors, 5 Pcs
105278	Rack, Test Tube, Zinc-Plated, 48 Place, 16mm Tubes, w/Legs, 12 Pcs

104101	Test Tube, Glass, 13 x 100mm, Round Bottom, Plain end, 250 Pcs
105453	Test Tube, Plastic, 12 x 75mm, 5mL, Round Bottom, Sterile, With Snap Cap, 1000 Pcs
105524	Test Tube, Plastic, 12 x 75mm, Round Bottom, "Falcon" type, Non-Sterile, No Cap, 1000 Pcs
103833	Tube, Cryovial, Self Standing, 2mL, Internal Thread, 500 Pcs
104100	Tube, Glass, 12 x 75mm, Round Bottom, 1000 Pcs
104692	Tube, Microcentrifuge, 1.5mL, Free-Standing, Screw Cap, 500 Pcs
104133	Tube, Microcentrifuge, 2.0mL, Free-Standing, Screw Cap, 500 Pcs
104394	Vial, Cryogenic, 2.0mL, Self Standing, Internal Thread, With Cap, Graduated, 1000 Pcs
104119	Vial, Cryogenic, 5.0mL, Self Standing, Round Bottom, with Cap, Internal Thread, Star Foot Style, Non-Autoclavable, 100 Pcs
	<b>Thermometer Sub Group</b>
106902	Thermometer, Bottle-Encased Refrigerator, Red-spirit filled, -5° to +15°C , Each
103218	Thermometer, Refrigerator/ Freezer
	<b>Timer Sub Group</b>
c	Timer, Countdown, 4 Channel, Digital, Each
103006	Timer, Countdown, Digital, Battery, Each
103364	Timer, Digital, Count Down/Up Timer, Pocket size, 3 x 3 x 1/2in, Each
104000	Timer, Three-Channel Alarm, Battery Operated, Each
103371	Timer, Wind Up, Analog, 3 Pcs
	<b>Tools Sub Group</b>
105221	Forceps, Mosquito, 6in, Each
102354	Scissors, Straight, Operating, Sharp/Blunt, 14cm, Each
	<b>Test Tubes Sub Group</b>
105971	Hematology, HemoCue, Microcuvettes, 201+, 200 Pcs
105037	Hematology, QBC AccuTube, 100 Pcs
105212	Microtube, 2.0mL, w/o skirt, Non-Sterile, Flat Top, 1000 Pcs
103022	Rack, Test Tube, 40 Place, 20mm Tubes, Each
103207	Rack, Test Tube, Epoxy Coated Wire, 72 Place, 13mL Tubes, 3-deck, no legs, Each
105230	Rack, Test Tube, Metal - Baked Enamel. 32 Place, 16mm tubes, 6 Pcs
105463	Rack, Test Tube, Plastic, 4-way fits 0.5 to 50mL, Interlocking, Assorted Colors, 5 Pcs
105278	Rack, Test Tube, Zinc-Plated, 48 Place, 16mm Tubes, w/Legs, 12 Pcs
104101	Test Tube, Glass, 13 x 100mm, Round Bottom, Plain end, 250 Pcs

105453	Test Tube, Plastic, 12 x 75mm, 5mL, Round Bottom, Sterile, With Snap Cap, 1000 Pcs
105524	Test Tube, Plastic, 12 x 75mm, Round Bottom, "Falcon" type, Non-Sterile, No Cap, 1000 Pcs
103833	Tube, Cryovial, Self Standing, 2mL, Internal Thread, 500 Pcs
104100	Tube, Glass, 12 x 75mm, Round Bottom, 1000 Pcs
104692	Tube, Microcentrifuge, 1.5mL, Free-Standing, Screw Cap, 500 Pcs
104133	Tube, Microcentrifuge, 2.0mL, Free-Standing, Screw Cap, 500 Pcs
104394	Vial, Cryogenic, 2.0mL, Self Standing, Internal Thread, With Cap, Graduated, 1000 Pcs
104119	Vial, Cryogenic, 5.0mL, Self Standing, Round Bottom, with Cap, Internal Thread, Star Foot Style, Non-Autoclavable, 100 Pcs

## Blood Safety

This list includes products that are used in the phlebotomy (blood drawing) area of clinics and at blood banks. In some cases we have included multiple choices for individual items. As always, refer to the SCMS ID Number to help speed the processing of your order.

Table 5. Blood Safety Core Product List

SCMS ID Number	Description
103355	Bag Holder, Biohazard, Wire, Round, for 24in Bags, Each
104163	Bag, Biohazard, 10 x 10in, Autoclave, Clear, Plain, 200 Pcs
103180	Bag, Biohazard, 14 x 19in, Autoclave, Red, Printed, 1.5mil, 200 Pcs
103325	Bag, Biohazard, 19 x 23in, Autoclave, Red, Printed, 200 Pcs
102664	Bag, Biohazard, 24 x 30in, Autoclave, Clear, 2mil, 200 Pcs
103059	Bag, Biohazard, 24 x 36in, Autoclave, Clear, Printed, 1.5mil, 200 Pcs
103183	Bag, Biohazard, 37 x 48in, Autoclave, Clear, Printed, 2mil, 100 Pcs
102626	Bag, Biohazard, 37 x 48in, Autoclave, Red, Printed, 2mil, 100 Pcs
104289	Bag, Biohazard, 38 x 48in, Autoclave, Red, Printed, 1.5mil, 100 Pcs
103169	Bag, Biohazard, 8 x 12in, Autoclave, Red, Printed, 1.5mil, 200 Pcs
106265	Bag, Biohazard, 8.5 x 11in, Orange, No-indicator, 100 Pcs
105213	Bag, Garbage, Black, 24 x 32in, 500 Pcs
104701	Bag, Specimen Storage, With Odor Control, 6 x 6in, 1000 Pcs
103765	Bag, Specimen, Long Term Storage, 7 x 8in, 250 Pcs
103400	Bag, Zipper Close, 10 x 15cm, 100 Pcs
106654	Bag, Zipper Close, 3 x 5in x 2mil, 1000 Pcs
104091	Bag, Zipper Close, 6 x 9in x 4mL, Write-On Strip, 1000 Pcs
104516	Bench Cover, Absorbent, Plastic Backing, 20in x 300ft, 2 Rolls
106372	Bench Cover, Absorbent, Plastic Backing, 43 x 61cm (17 x 24in), 50 Pcs
106062	Blood Collection Needle, Multi-Sample, 21G x 1.5in, Thin Wall, Luer-Slip, Green, 100 Pcs
104813	Blood Collection Tube, K2-EDTA, 6mL, Plastic, Lavender Top, 1000 Pcs
106734	Blood Collection Tube, K2-EDTA, SST Gel, Plastic, White Top, 8.5mL, 100 Pcs
105830	Blood Collection Tube, Lithium Heparin, 4mL, Plastic, Green Top, 1000 Pcs
104198	Blood Collection Tube, Lithium Heparin, 6mL, Plastic, Green Top, 1000 Pcs
105901	Blood Collection Tube, Pediatric, K2-EDTA, Lavender Top, 0.5mL, 200 Pcs
102680	Blood Collection Tube, Serum, Clot Activator, 10mL, Plastic, Red Top, 1000 Pcs

103708	Blood Collection Tube, SST II Gel, Clot Activator, 5mL, Plastic, Gold Top, 100 Pcs
104236	Blood Grouping, Anti-A, 10mL x 1 Vial
107494	Blood Grouping, Anti-A, 10mL x 10 Vials
104245	Blood Grouping, Anti-A, Anti-B, Murine Monoclonal, 10mL x 15 Vial
104243	Blood Grouping, Anti-A, B, 10mL x 1 Vial
104239	Blood Grouping, Anti-A1 Lectin, 1 Vial
104237	Blood Grouping, Anti-B, 10mL x 1 Vial
107495	Blood Grouping, Anti-B, 10mL x 10 Vials
104241	Blood Grouping, Anti-D, 10mL x 1 Vial
103728	Blood Grouping, Anti-H Lectin, 5mL x 1 Vial
104240	Blood Grouping, Anti-Human Globulin, 10mL x 1 Vial
107387	Bucket, Stainless Steel, 10L
106546	Chagas, Third Gen, ELISA Kit, 192 Tests
103726	Coombs, Control Cells, 1 x 10mL
103555	Enzygnost TMB Supplementary Reagent Kit, 960 Tests
103186	Eyewash Station, Sterile, Each
102667	Face Masks, With Ear Loops, 50 Pcs
104409	First Aid Kit, 36 Units, Each
104188	Gloves, Exam, Latex, Powdered, Non-Sterile, Lg, 100 Pcs
104187	Gloves, Exam, Latex, Powdered, Non-Sterile, Med, 100 Pcs
104189	Gloves, Exam, Latex, Powdered, Non-Sterile, Sm, 100 Pcs
105069	Gloves, Exam, Latex, Powder-Free, Non-Sterile, Lg, 100 Pcs
105068	Gloves, Exam, Latex, Powder-Free, Non-Sterile, Med, 100 Pcs
104186	Gloves, Exam, Latex, Powder-Free, Non-Sterile, Sm, 100 Pcs
103222	Gloves, Exam, Nitrile, Powder-Free, Non-Sterile, Lg, 100 Pcs
103223	Gloves, Exam, Nitrile, Powder-Free, Non-Sterile, Med, 100 Pcs
103224	Gloves, Exam, Nitrile, Powder-Free, Non-Sterile, Sm, 100 Pcs
102447	Gloves, Exam, Nitrile, Powder-Free, Non-Sterile, X-Lg, 100 Pcs
105936	Gloves, Nitrile, Utility, Medium, 12 Pair
106759	Gloves, Sterile Surgical, Latex, Powdered, Size 7, 50 Pair
102444	Gloves, Sterile Surgical, Latex, Powdered, Size 7.5, 50 Pair
102273	Gloves, Sterile Surgical, Latex, Powdered, Size 8, 50 Pair
106758	Gloves, Sterile Surgical, Latex, Powdered, Size 8.5, 50 Pair
107390	Goggles, Safety, Vented, Each

105037	Hematology, QBC AccuTube, 100 Pcs
104876	Hepatitis, HBsAg, ELISA Kit, 96 Tests
107663	Hepatitis, HBsAg, Hepanostika Ultra, ELISA Kit, 576 Tests
105960	Hepatitis, HBsAg, Monolisa ULTRA, ELISA Kit, 480 Tests
107126	Hepatitis, HBsAg, Monolisa ULTRA, ELISA Kit, 96 Tests
107647	Hepatitis, HBsAg, Murex V3, ELISA Kit, 480 Tests
105881	Hepatitis, HCV Ab, Diapro, ELISA Kit, 96 Tests
103931	Hepatitis, HCV Ab, ELISA Kit, 96 Tests
106571	Hepatitis, HCV Ag-Ab, Monolisa Ultra, ELISA Kit, 480 Tests
104847	Hepatitis, HCV, Murex Anti-HCV, ELISA Kit, 96 Tests
106463	HIV 1, BED Incidence EIA, ELISA Kit, 192 Tests
104718	HIV 1, ELAVIA 1, ELISA Kit, 96 Tests
107025	HIV 1/2-O, Genscreen Ultra HIV Ag-Ab, ELISA Kit, 480 Tests
105883	HIV 1/2-O, Genscreen Ultra HIV Ag-Ab, ELISA Kit, 96 Tests
102956	HIV 1/2-O, Murex 1.2.0, ELISA Kit, 480 Tests
104872	HIV 1/2-O, Murex ELISA Kit, 96 Tests
102955	HIV 1/2-O, Murex HIV AG/AB Combination, ELISA Kit, 96 Tests
102961	HIV 1/2-O, Vironostika HIV Uni-Form II Ag/Ab, ELISA Kit, 576 Tests
102959	HIV 1/2-O, Vironostika HIV Uni-Form II Plus 0 Kit, 192 Tests
107808	HIV 1/2-O, Vironostika Uni-Form II Ag/Ab Kit, 192 Tests
104893	HIV 1/2-O, Vironostika Uni-form II Plus 0, ELISA Kit, 576 Tests
104719	HIV 2, ELAVIA 2, ELISA Kit, 96 Tests
108231	HIV BLOT Version 2.2 Western Blots, 36 Strips
106348	HIV, Detect Ag/Ab Combo, ELISA Kit, 480 Tests
105741	HIV, Enzygnost HIV Integral II Kit, 192 Tests
104730	HTLV I + II, Vironostika, ELISA Kit, 192 Tests
104875	HTLV I + II, Murex, ELISA Kit, 96 Tests
104476	Lancet, Safety, Med to High Flow, 2.0mm x 1.5mm, 200 Pcs
104920	Mask, Respirator, N95 Disposable Particulate, 20 Pcs
106094	Mask, Respirator, N95, 3M, with exhalation valve, 120 Pcs
107107	Mask, Surgical, Protective 3-Layer Construction, w/Ties, 50 Pcs
105212	Microtube, 2.0mL, w/o skirt, Non-Sterile, Flat Top, 1000 Pcs
103524	Microtube, Screw Cap, Skirted, 2.0mL, Rack, 500 Pcs
105208	Needle, Hypodermic, 21G x 1.5in, Regular Wall, Regular Bevel, Green, Luer Slip, Sterile, 100 Pcs

105476	Needle, Hypodermic, 23G x 1in, Regular Wall, Regular Bevel, Turquoise, Luer Lok, Sterile, 100 Pcs
106055	Needle, Hypodermic, 23G x 1in, Thin Wall, Regular Bevel, Turquoise, Luer Slip, Sterile, 100 Pcs
108248	PCR Assay, ABI, HIV 1, ViroSeq Integrase Genotyping Sequencing Kit, 48 Tests
108249	PCR Assay, ABI, HIV 1, ViroSeq Integrase Sample Prep Kit, 48 Tests
103022	Rack, Test Tube, 40 Place, 20mm Tubes, Each
103207	Rack, Test Tube, Epoxy Coated Wire, 72 Place, 13mL Tubes, 3-deck, no legs, Each
105230	Rack, Test Tube, Metal - Baked Enamel. 32 Place, 16mm tubes, 6 Pcs
105463	Rack, Test Tube, Plastic, 4-way fits 0.5 to 50mL, Interlocking, Assorted Colors, 5 Pcs
105278	Rack, Test Tube, Zinc-Plated, 48 Place, 16mm Tubes, w/Legs, 12 Pcs
106666	Pipet Dropper Bulb, 10mL, Each
106667	Pipet Dropper Bulb, 15mL, Each
106668	Pipet Dropper Bulb, 35mL, Each
105146	Safety Glasses, Anti-scratch/Fog, Blue Frame, Each
104038	Sharps Container, 1.4L, Each
104184	Sharps Container, 22L, Each
104039	Sharps Safety Box, Incineration Container, 5L, Each
107425	Surgical Scrub, 4% CHG, 1 Gallon
105882	Syphilis Ab, Diapro, ELISA Kit, 96 Tests
104874	Syphilis, Murex TPHA, ELISA Kit, 96 Tests
104857	Syringe, w/Needle, Safety-Lok, Sliding Sleeve, 5mL, 21G X 1.5in, 400 Pcs
104843	Syringe, w/Retracting Needle, 3mL, 21G x 1in, 100 Pcs
104844	Syringe, w/Retracting Needle, 3mL, 22G x 1.5in, 1000 Pcs
104845	Syringe, w/Retracting Needle, 3mL, 23G x 1in, 100 Pcs
104849	Syringe, w/Shielding Needle, 10mL, 22G x 1.5in, Luer Lok, 400 Pcs
104850	Syringe, w/Shielding Needle, 1mL, 25G x 5/8in, 400 Pcs
104853	Syringe, w/Shielding Needle, 3mL, 22G x 1.5in, 400 Pcs
104851	Syringe, w/Shielding Needle, 3mL, 23G x 1in, Luer Lok, 400 Pcs
104852	Syringe, w/Shielding Needle, 3mL, 25G x 5/8in, Luer Lok, 400 Pcs
104101	Test Tube, Glass, 13 x 100mm, Round Bottom, Plain end, 250 Pcs
105453	Test Tube, Plastic, 12 x 75mm, 5mL, Round Bottom, Sterile, With Snap Cap, 1000 Pcs
105524	Test Tube, Plastic, 12 x 75mm, Round Bottom, "Falcon" type, Non-Sterile, No Cap, 1000 Pcs
103833	Tube, Cryovial, Self Standing, 2mL, Internal Thread, 500 Pcs
104100	Tube, Glass, 12 x 75mm, Round Bottom, 1000 Pcs
104692	Tube, Microcentrifuge, 1.5mL, Free-Standing, Screw Cap, 500 Pcs

104133	Tube, Microcentrifuge, 2.0mL, Free-Standing, Screw Cap, 500 Pcs
107439	Utility Container, 44 Gallon, Yellow, Each
104394	Vial, Cryogenic, 2.0mL, Self Standing, Internal Thread, With Cap, Graduated, 1000 Pcs
104119	Vial, Cryogenic, 5.0mL, Self Standing, Round Bottom, with Cap, Internal Thread, Star Foot Style, Non-Autoclavable, 100 Pcs

## Early Infant Diagnosis (EID) Products

This comprehensive list of EID products includes equipment, supplies and consumables required for EID programs. This list was developed by the International Laboratory Branch of the US Centers for Disease Control and Prevention (CDC) in collaboration with SCMS. Although quite comprehensive, this list is by no means exhaustive. Additional products may be required, depending on the needs of the EID facility. As always, refer to the SCMS ID Number to help speed the processing of your order. EID products are listed in Table 6.

Table 6. EID Core Product List

SCMS ID Number	Description
105572	Bag Holder, Biohazard, Wire, Rectangular, for 8.5in Bags, Each
104163	Bag, Biohazard, 10 x 10in, Autoclave, Clear, Plain, 200 Pcs
103059	Bag, Biohazard, 24 x 36in, Autoclave, Clear, Printed, 1.5mil, 200 Pcs
104701	Bag, Specimen Storage, With Odor Control, 6 x 6in, 1000 Pcs
105203	Bandage, Adhesive, 3/4 x 3in, Fabric, 150 Pcs
103078	DBS, Protein Saver Card, 5 x 1.5in spots per card, 100 Pcs
106366	DBS, Rack, Drying, For Dried Blood Spot Cards, 10 Pcs
102997	Desiccant, Sorbent Packets, Self Indicating Silica Gel, 1g, 1000 Pcs
103003	ELISA Microplate Reader, Absorbance Microplate, ELx800, 96 wells, Each
103004	ELISA Washer, Microplate Strip, ELx50, Each
103222	Gloves, Exam, Nitrile, Powder-Free, Non-Sterile, Lg, 100 Pcs
103223	Gloves, Exam, Nitrile, Powder-Free, Non-Sterile, Med, 100 Pcs
103224	Gloves, Exam, Nitrile, Powder-Free, Non-Sterile, Sm, 100 Pcs
104483	Humidity Indicator Card, 1000 Pcs
105587	Incubator, Standard Lab, 2.5 cu. ft Capacity, Each
103763	Lab Coat, Basic, Blue, Lg, 25 Pcs
103762	Lab Coat, Basic, Blue, Med, 25 Pcs
103761	Lab Coat, Basic, Blue, Sm, 25 Pcs
103760	Lab Coat, Basic, White, Lg, 25 Pcs
103759	Lab Coat, Basic, White, Med, 25 Pcs
103758	Lab Coat, Basic, White, Sm, 25 Pcs
105574	Label, Self-Adhering Label Tape, Red, Roll 3/4in, 60Y, 4 Pcs
105575	Label, Self-Adhering Label Tape, Yellow, Roll 3/4in, 60Y, 4 Pcs

103347	Label, Tape, Blue, Roll 1in x 14Y, 3 Pcs
105186	Lancet, Safety, High Flow, 1.5 x 2mm, 200 Pcs
102643	Minicentrifuge, Personal Benchtop, with 2 Rotors
103744	Mixer, Vortex Variable Speed, Each
105536	Molecular, DNA PCR Amplicor HIV-1 Monitor, 96 Tests
103359	Molecular, PCR Foil, Adhesive, 100 sheets
103748	Molecular, PCR, ABI MicroAmp 96-Well Support Base, 10 Pcs
105583	Molecular, Sticky Mat for PCR Room, 25 x 45in, 4 x 60 Sheets
103419	Molecular, Thermal Cycler, GeneAmp PCR System 9700
105461	Paper Punch, Whatman, Each
103343	Pen, Lab Marker, Extra-Fine Tip, Black, 10 Pcs
105550	Pipet Tip Rack, Empty, For 20ul Tips, 10 Pcs
104775	Pipet Tip Rack, Empty, Plastic, for 10uL Long Reach and 200ul Tips, 10 Pcs
105552	Pipet Tips, Aerosol Barrier, 300uL, Rack 10 x 96 Pcs
105553	Pipet Tips, ART Barrier, 100-1000uL, non-Sterile, 8 x 96 Pcs
105563	Pipet Tips, Eppendorf, 2-200uL, No Barrier, PCR Clean, Racks 10 x 96 Pcs
105565	Pipet Tips, Eppendorf, Filter, 2-20mL, Sterile, Rack 10 x 96 Pcs
105567	Pipet Tips, Eppendorf, Filter, 50-1000uL, Sterile, Rack 10 x 96 Pcs
105464	Pipet, Serological, Plastic, 10mL, Sterile, Disposable, Orange, 200 Pcs
105465	Pipet, Serological, Plastic, 25mL, Sterile, Disposable, Red, 200 Pcs
105089	Pipet, Serological, Plastic, 5mL, Plugged, Sterile, Individually Wrapped, Blue, 200 Pcs
105558	Pipetter Carousel Stand, 6 Place, Each
105418	Pipetter, 1 Channel, Digital, -1000uL, Each
105417	Pipetter, 1 Channel, Digital, -200uL, Each
105190	Pipetter, 1 Channel, Digital, -20uL, Each
103769	Pipetter, 8 Channel, Digital, -200uL, Each
103757	Pipetting Reservoir, Disposable, 50mL, 10 Pcs
105539	Rack, Microtube, Plastic, 48 Place fits Screw Caps, Each
103753	Rack, Test Tube, Plastic, 4-way fits 0.5 to 50mL, Interlocking, Natural, 5 Pcs
105586	Refrigerator/Freezer, Gen Purpose, Total Capacity 18 cu ft, Each
105584	Thermometer, Incubator, +10 to 45 C, 5 Pcs
104544	Thermomixer, for 24 x 1.5mL Micro Test Tubes
103364	Timer, Digital, Count Down/Up Timer, Pocket size, 3 x 3 x 1/2in, Each
103351	Tube Rocker, Vari-Mix, 16 x 10 to 20mm, 7 x 22 to 30mm

105540	Tube, 15mL, Conical, Polypropylene, 500 Pcs
105541	Tube, Centrifuge, 50mL, Plastic, Conical Bottom, Plug Seal Cap, Sterile, 500 Pcs
104692	Tube, Microcentrifuge, 1.5mL, Free-Standing, Screw Cap, 500 Pcs
103341	Ultraviolet Crosslinker, 230V, Each
103070	Weighing Paper, 76 x 76mm, Low Nitrogen, 500 Pcs

## Male Circumcision (MC)

The PEPFAR Male Circumcision Technical Working Group (MC TWG) assigned SCMS the task of leading the procurement and supply chain management of MC kits and supplementary commodities. Kit components and supplementary commodities have been agreed upon by consensus among the MC TWG partners, thus allowing SCMS to apply economies of scale to negotiate the lowest prices possible while maintaining the highest quality of the product for the MC program.

The MC TWG's report from the PEPFAR Male Circumcision Partners' Meeting on Commodities and Improved Coordination of Male Circumcision for HIV Prevention provides a wealth of information on the subject and lists all commodities contained in each kit, as well as other commodities that are needed for MC programs. This report can be viewed and downloaded from the SCMS e-catalog.

[http://scms.pfscm.org/scms/docs/papers/MCTWG\\_report.pdf](http://scms.pfscm.org/scms/docs/papers/MCTWG_report.pdf)

### **The PEPFAR MC TWG has agreed on the following MC kit options:**

KIT OPTION 1: Reusable MC Kit for forceps-guided procedure

KIT OPTION 2: Reusable MC Kit for sleeve resection and dorsal slit procedures

KIT OPTION 3: Fully Disposable MC Kit for forceps-guided procedure

In addition to MC kits, the PEPFAR MC TWG developed several lists of additional products that may be needed by MC programs:

- Essential products
- MC Supplementary Modules
  - Module 1. Infection Control and Prevention
  - Module 2. Equipment
  - Module 3. Emergency Supplies

Detailed description for each MC Kit, essential products, and modules are outlined in the following sections. If you have any questions concerning the MC program, products or procurement, please contact Juan Jaramillo, Program Manager, at [jjaramillo@pfscm.org](mailto:jjaramillo@pfscm.org).

**Note about ordering kits.** MC kits are custom-designed specifically for this program. Items from any kit option or the supplementary modules cannot be removed, supplemented or substituted. The current lead time for any MC Kit is 3 months for manufacturing, plus 4 weeks for air shipment and 8–10 weeks for ocean shipment. These lead times are dictated by the manufacturer and are subject to change. SCMS will advise clients with a best estimate for a delivery date shortly after an order is entered into the system.

## **MC KIT OPTION 1: Reusable Kit for Forceps Guided Procedure**

The Reusable MC Kit for forceps-guided procedure includes a set of surgical instruments sufficient for one MC procedure plus a standard consumable pack, all in one sterilized package. In addition, pharmaceuticals from a standard list are also available for purchase separately, as such products fall under a different set of packaging, shipping and regulatory requirements. If additional items are needed, these may be procured separately through SCMS using our procurement process.

Surgical instruments included in this kit are listed in Table 7. The kit is wrapped in surgical crepe paper (60x60 cm) and is sterilized by ethylene oxide (ETO) in a 0.3μ sterilization indicator bag. Expiration date is indicated on the sterilization bag. In addition to surgical components, a pack of consumables to be used with this kit is detailed in Table 7. One consumables pack is needed per MC patient.

**Please Note:** The kit should have either the Combination Needle Holder/Scissor (Table 7, Item 2.a), or the Needle Holder and Scissors as two separate instruments (Table 7, Item 2.b). Only one of these two options will be included in the kit. The decision on which option to include is dictated by availability of these products in the marketplace.

Table 7. Surgical Instrument Pack for MC Kit Option 1 (SCMS ID CODE 107413)

	<b>Product</b>	<b>Description</b>	<b>Qty</b>
1	Autoclave Storage Box	Estimated size approximately Dimensions: 5"W x 10"L x 2"H.	1
2.a.	Combination Needle – Holder/Suture Scissors	Combination Needle-Holder/Suture Scissors: Total Length 13-15 cm, Working Surface approximately 20mm	1
	OR		
2.b.	Needle Holder / Driver,	Total Length 12-14 cm, Working Surface 20mm	1
	AND		
	Suture Scissor	Total Length 12-15 cm	1
3	Toothed Tissue Forceps	AKA “pick-ups,” “Dissection Forceps”: Total Length 13 cm, working surface 15 mm serrated	1
4	Mosquito Clamp Straight	Aka "Snaps", “Mosquito Forceps,” “Hemostatic Forceps”: Total length 12-14 cm, Working Surface 20-30 mm	4
5	Mosquito Clamp Curve	Aka "Snaps", “Mosquito Forceps”, “Hemostatic Forceps”: Total length 12-14 cm, Working Surface 20-30 mm	1
6	Forceps Hemostatic Cross Clamp	Total Length 20cm, Working Surface 64 mm	1

Table 8. Consumables Pack for Reusable MC Kits (SCMS ID CODE 107416)

	Product	Description	Qty
1	Multipurpose Container Tray	Stable Plastic Recycle Tray to conduct procedure, minimum 700 micron virgin plastic, with 3 Compartments (Compartment 1 = 13X26, Compartment 2 = 5X8, Compartment 3 = 5X5, Compartment 4 = 5X13 and the total size of the Tray is 26X18).	1
2	O-Drape	Disposable 100 cm X 75 cm (One side absorbable and one side impermeable. The two different sides are fused together and not lint applied.)	1
3	Scalpel Blade w/Handle	Disposable, retractable and lockable; Blade Type 23; Total Length 11 cm	1
4	Gauze, Plain	Gauze Swabs 100X100mm (12ply)	20
5	Gauze, Petroleum Jelly Impregnated	Paranet Gauze 10cmX10cm (1 ply)	1
6	Syringe	Syringe 10 ml	1
7	Injection Needles	One each of 21g and 23g, 1.5 inch	2
8	Suture, 3/0 Braided/Absorbable	polyglycolic acid suture, 75 cm, on Reverse Cutting Needle 26 mm	2
9	Surgical Gloves	Sterile, one each of size 8 and 7 1/2	2
10	Apron, Disposable	Plastic, trash bag quality	2
11	Alcohol Swabs	1 ¼" x 2 ½", Isopropyl Alcohol 70%	2
12	Surgical Paper Tape	micropore 12 mm, 1-3 meter in Length	1
13	Sterile Prep Gloves	Examination glove large	1

### ***MC KIT OPTION 2: Reusable Kit for Sleeve or Dorsal Slit Procedure***

The Reusable MC Kit for sleeve resection and dorsal slit procedures includes a set of surgical instruments sufficient for one MC procedure plus a standard consumable pack, all in one sterilized package. In addition, pharmaceuticals from a standard list are also available for purchase separately, as such products fall under a different set of packaging, shipping and regulatory requirements. If additional items are needed, these may be procured separately through SCMS using our procurement process.

Surgical instruments included in this kit are listed in Table 9. The kit is wrapped in surgical crepe paper (60x60 cm) and is sterilized by ethylene oxide (ETO) in a 0.3µ sterilization indicator bag. Expiration date is indicated on the sterilization bag. In addition to surgical instruments, a pack of consumables required to be used with this kit is detailed in Table 10. One consumables pack is needed per MC patient.

**Please Note:** The kit should have either the Combination Needle Holder/Scissor (Table 9, Item 3.a), or the Needle Holder and Scissors as two separate instruments (Table 9, Item 3.b). Only one of these two options will be included in the kit. The decision on which option to include is dictated by availability of these products in the marketplace.

Table 9. Surgical Instrument Pack for MC Kit Option 2 (SCMS ID CODE 107414)

	Product	Description	Qty
1	Autoclave Storage Box	Estimated size dimensions approximately: 5"W x 10"L x 2"H	1
2	Dissection Dissecting Scissors	Total Length 13-15 cm	1
3.a.	Combination Needle – Holder/Suture Scissors	Total Length 13-15 cm, Working Surface approximately 20mm	1
	OR		
3.b.	Needle Holder / Driver,	Total Length 12-14 cm, Working Surface 20mm	1
	AND		
	Suture Scissor	Total Length 12-15 cm	1
4	Toothed Tissue Forceps	Aka pick-ups, Dissection Forceps: Total Length 13 cm, working surface 15 mm serrated	1
5	Mosquito Clamp Straight	Aka "Snaps", Mosquito Forceps, Hemostatic Forceps: Total length 12-14 cm	4
6	Mosquito Clamp Curve	Aka "Snaps", Mosquito Forceps, Hemostatic Forceps: Total length 12-14 cm, Working Surface 20-30 mm	1
7	Hemostatics Clamps	Aka "Artery Forceps (for Dorsal Slit MC: Total Length 13-15 cm, Working Surface 40 mm	2

Table 10. Consumables Pack for Reusable MC Kits (SCMS ID CODE 107416)

	Product	Description	Qty
1	Multipurpose Container Tray	Stable Plastic Recycle Tray to conduct procedure, minimum 700 micron virgin plastic, with 3 Compartments (Compartment 1 = 13X26, Compartment 2 = 5X8, Compartment 3 = 5X5, Compartment 4 = 5X13 and the total size of the Tray is 26X18).	1
2	O-Drape	Disposable 100 cm X 75 cm (One side absorbable and one side impermeable. The two different sides are fused together and not lint applied.)	1

3	Scalpel Blade w/Handle	Disposable, retractable and Lockable, Blade Type 23, Total Length 11 cm	1
4	Gauze, Plain	Gauze Swabs 100X100mm (12ply)	20
5	Gauze, Petroleum Jelly Impregnated	Paranet Gauze 10cmX10cm (1 ply)	1
6	Syringe	Syringe 10 ml	1
7	Injection Needles	One each of 21g and 23g, 1.5 inch	2
8	Suture, 3/0 Braided/Absorbable	polyglycolic acid suture, 75 cm, on Reverse Cutting Needle 26 mm	2
9	Surgical Gloves	Sterile, one each of size 8 and 7 1/2	2
10	Apron, Disposable	Plastic, trash bag quality	2
11	Alcohol Swabs	1 1/4" x 2 1/2", Isopropyl Alcohol 70%	2
12	Surgical Paper Tape	micropore 12 mm, 1-3 meter in Length	1
13	Sterile Prep Gloves	Examination glove large	1

### **MC KIT OPTION 3: Fully Disposable MC Kit for Forceps-Guided Procedure**

The Fully Disposable MC Kit includes a set of surgical instruments sufficient for one MC procedure plus a standard consumable pack, all in one sterilized package. In addition, pharmaceuticals from a standard list are also available for purchase separately, as such products fall under a different set of packaging, shipping and regulatory requirements. If additional items are needed, these may be procured separately through SCMS using our procurement process.

Components of this kit are listed in Table 11. The kit is wrapped in surgical crepe paper (60x60 cm) and is sterilized by ethylene oxide (ETO) in a 0.3 $\mu$  sterilization indicator bag. Expiration date is indicated on the sterilization bag.

**Please Note:** The kit should have either the Combination Needle Holder/Scissor (Table 11, Item 1.a), or the Needle Holder and Scissors as two separate instruments (Table 11, Item 1.b). Only one of these two options will be included in the kit. The decision on which option to include is dictated by availability of these products in the marketplace.

Table 11. Components of Disposable MC Kit Option 3 for Forceps-Guided Procedure (SCMS ID CODE 107415)

	Product	Description	Qty
1.a	Combination Needle Holder and Scissor	Combination Disposable Needle Holder/Suture Scissors: Total length 13-15 cm, Working Surface approximately 20 mm.	1

1.b	<b>OR</b> Needle Holder	Disposable, Total Length 12-14 cm, Working Surface 20mm	1
	<b>AND</b> Suture Scissor	Disposable, Total Length 12-15 cm	1
2	Non-Toothed Plastic Forceps	Aka "Pick-ups," "Dissection Forceps:" Total length 13 cm, Working Surface 15 mm Serrated	1
3	Mosquito Clamp Straight	Aka "Mosquito Forceps," "Hemostatic Forceps," Disposable. Total length 12-14 cm, Working Surface 30 mm	1
4	Mosquito Clamp Curve	Aka "Mosquito Forceps," "Hemostatic Forceps," Disposable. Total length 12-14 cm, Working Surface 30 mm	1
5	Disposable Scalpel and Handle	Retractable and lockable. Blade Type 23, Total Length 11 cm	1
6	Circumcision Forceps Hemostatic	Disposable Cross Clamp. Total Length 20 cm, Working Surface 64 mm	1
7	Multipurpose Container Tray	Stable Plastic Recycle Tray to conduct procedure, minimum 700 micron virgin plastic, with 3 Compartments. (Compartment 1 = 13X26, Compartment 2 = 5X8, Compartment 3 = 5X5, Compartment 4 = 5X13 and the total size of the Tray is 26X18) Preparation and procedure.	1
8	O-Drape	Disposable, 100 cm X 75 cm (One side absorbable and one side impermeable. The two different sides are fused together and not lint).	1
9	Gauze, Plain	Gauze Swabs 100X100mm (12ply)	20
10	Gauze, Petroleum Jelly Impregnated	Paranet Gauze 10cmX10cm (1 Ply)	1
11	Syringe	Syringe 10 ml	1
12	Injection Needles	One each of 21g and 23g, 1.5 inch	2
13	Suture, 3/0 Braided/Absorbable	Polyglycolic acid suture, 75 cm, on Reverse Cutting Needle 26 mm	2
14	Surgical Gloves	One each of size 8 and 7 1/2	2
15	Apron, Disposable	Plastic, trash bag quality	2
16	Alcohol Swabs	1 1/4" x 2 1/2", Isopropyl Alcohol 70%	2
17	Surgical Tape	Micropore 12 mm, 1-3 meter in length	1
18	Sterile Prep Gloves	Examination glove large	1

## **Additional Products for MC Programs**

The PEPFAR MC TWG has also recognized the need for additional commodities to support MC programs. These were grouped according to:

- Additional products (Table 12)
- Essential products (Table 13)
- MC Supplementary Modules:
  - Module 1. Infection Control and Prevention (Table 14)
  - Module 2. Equipment (Table 15)
  - Module 3. Emergency Supplies (Table 16)

Table 12 below is a guide to help clients determine what additional products they may need for their specific program. Please note that these products should be selected individually with the exception of Consumable Packs which are needed for all reusable kits.

Table 12. Additional MC Product Selection Guide

<b>Product</b>	<b>Reusable Kit Option 1</b>	<b>Reusable Kit Option 2</b>	<b>Disposable Kit Option 3</b>	<b>Comments</b>
Consumable Packs SCMS ID Code 107416	Yes	Yes	Included	These are available as bundled packs (Tables 10, SCMS ID CODE 107416)
Additional Essential Products	As Needed	As Needed	As Needed	Client may choose any or all of these products at the quantities they desire (Table 13)
Infection Prevention Products (Module 1, Table 14)	As Needed	As Needed	As Needed	These products are listed with estimated quantities needed per site (not per MC procedure). Client may choose from these lists any items they may need, depending on the site where MC will be performed. For example a regional hospital may already have many of these products. However, a mobile, temporary or remote site may need many of these products.
Equipment (Module 2, Table 15)	As Needed	As Needed	As Needed	
Emergency Supplies (Module 3, Table 16)	As Needed	As Needed	As Needed	

### **Essential Products (purchased separately in bulk)**

The following items must be purchased individually. For guidance on the quantities needed per item, please refer to the [MC TWG Final Report](#), page 35, which can be downloaded from the MC section of the SCMS E-catalog.

**Please Note:** SCMS will determine if the pharmaceutical product on this list meets the regulatory and/or importation requirements of the country of importation/consumption. For larger procurements, SCMS may be able to supply smaller units of measurement for pharmaceuticals on this list (such as packaging per ampoule, iodine per 100ml). For smaller procurements, SCMS will not be in the position to supply re-packed smaller unit of measurement.

Table 13. Additional Essential Products for the Disposable MC Kit

SCMS ID Number	Product	Description
990210*	Diathermy/Cautery Tips	Diathermy/electrocautery tips--AKA "electrodes" Blade-type configuration. Disposable.
106347	Lidocaine	Lidocaine HCl 1%, injection, 20ml, 10 vials
	<b>OR</b>	
107644	Lidocaine	Lidocaine HCl 1%, injection, 20ml, 20 vials
107484	Bupivacaine	Bupivacaine HCl 0.5%, injection, 20ml, 10 vials
	<b>OR</b>	
107475	Bupivacaine	Bupivacaine HCl 0.5%, injection, 10ml, 20 vials
107158	Paracetamol	Paracetamol 500mg, tablets, 100 tablets, 10x10 blister
	<b>OR</b>	
105819	Paracetamol	Paracetamol 500mg, tablets, blister (100x10), 1000 tabs
108047	Iodine	Povidone iodine 10% solution, bottle of 200 ml
	<b>OR</b>	
107477	Iodine	Povidone iodine 10% solution, bottle of 100 ml
105895	Compression Bandage	Bandage, Self-Adherent Wrap, 5y x 2in x 36 Rolls
104122	Sterile Gauze	Gauze, Sponge, Sterile, 8-ply, 4 X 4 in, 50 pcs
107465	Suture - braided/absorbable	Suture, 75cm, Absorbable, Coated, Braided Undyed, 3/0, 26mm, 3/8 Circle Reverse Cutting Needle, 12 Pcs
106759	Sterile Surgical Gloves	Gloves, Sterile Surgical, Latex, Powdered, Size 7, 50 Pair

102444	Sterile Surgical Gloves	Gloves, Sterile Surgical, Latex, Powdered, Size 7.5, 50 Pair
102273	Sterile Surgical Gloves	Gloves, Sterile Surgical, Latex, Powdered, Size 8, 50 Pair
106758	Sterile Surgical Gloves	Gloves, Sterile Surgical, Latex, Powdered, Size 8.5, 50 Pair

\* This product requires specifications. Please ask for this product by name and provide exact specifications.

## MC Supplementary Modules

Clients may select items from the following modules based on their specific needs. Although many of these items may already be available at some facilities (e.g. major hospitals or health centers), they may be needed in other locations (e.g. remote or outreach sites) or may not be available in the quantities required for a major MC program. Commodities listed in these modules include quantification guidance to help sites calculate proper quantities to order and forecast accurately for future orders to avoid potential stockouts.

Products listed under these modules are not bundled, i.e. they are not packaged as kits. Clients may pick and choose only items they will need. The quantities mentioned in the product description column are provided to help clients in quantification exercises (refer to the [MC TWG Final Report](#), starting on page 42, which can be downloaded from the MC section of the SCMS e-catalog).

These quantities are listed as “per site” and not “per MC procedure.” Please note that some of the items listed (such as oxygen tanks) may be best procured locally.

Table 14. Module 1: Infection Prevention Supplies

SCMS ID Number	Product	Product Specifications
107107	Surgical Mask	Mask, Surgical, Protective 3-Layer Construction, w/Ties, 50 Pcs (MOTEX, 91119)
107106	Surgical Cap	Protective Surgical Cap, Blue, Universal Size, 100 Pcs
103325	Biohazard Trash Bag, Small	Bag, Biohazard, 19 x 23in, Autoclave, Red, Printed, 200 Pcs
102626	Biohazard Trash Bag, Large	Bag, Biohazard, 37 x 48in, Autoclave, Red, Printed, 2mil, 100 Pcs
104097	Plastic Bin, Small	Container, Utility, 10 Gallon, Each
107387	Buckets for instrument disinfection and soaking	Bucket, Stainless Steel, 10L
107389	Instrument Brush	Brush, Cleaning, 36cm Twisted Wire, 1.2 x 5cm Nylon Bristles, Each
107388	Surgeon Nail Scrub Brush	Hand Scrub Brush, Surgeons, Each
107390	Protective Eyewear	Goggles, Safety, Vented, Each
105936	Utility Glove	Gloves, Nitrile, Utility, Medium, 12 Pair

107425	Surgical Scrub	Surgical Scrub, 4% CHG, 1 Gallon
104184	Sharp Boxes, Large	Sharps Container, 22L, Each
105842	Alcohol Hand Wash for providers	Cleaner, Instant Antiseptic Hand, 4oz x 24 Pcs
102486	Soap for scrubbing instruments	Soap, Liquid Antiseptic, 1L
104562	Bleach for soaking instruments	Chemical, Bleach, Sodium Hypochlorite, 750mL
106216	Sharps Boxes, Small	Sharps Container, 5L, 25 pcs (specify color)

Table 15. Module 2: Equipment for MC Sites

SCMS ID Number	Product	Product Specifications
103919	Autoclave – Small	Sterilizer, Autoclave, Top-Loading, Floor Standing, Small
104948	Autoclave - Large	Sterilizer, Autoclave, Top-Loading, Floor Standing, Large
107440	Step Ladder	Step Stool, 1-Step, Each
107441	IV Stand	Standard IV Pole, 5 Leg, Each
	* Order By Name	
NA	Operating stool	Operating stools, adjustable height
NA	Operating Table	Table, examination, folding, 2-section with washable pad, minimum height of 68cm
NA	Standing Lamp	Standing one-bulb spotlight/lamp with adjustable arm
NA	Wheelchair	Wheelchair - removable arms and footrests
NA	Recovery bed	Recovery bed with mattress
NA	Recovery chair	Recovery chairs
NA	Patient trolley	Patient trolley with siderails and washable pad, est. dimensions 183x69x87cm
NA	Instrument stand	Mayo stand (extends over the patient)
NA	Diathermy machine	Diathermy machine: monopolar (can have dual monopolar/bipolar if this does not increase cost)
NA	Diathermy plate	Diathermy (aka cautery, electrosurgery) plates (aka "patient return electrodes" or "grounding pads")
NA	Diathermy pencil	Diathermy (electrocautery) pencil (wand)

\* This product requires specifications. Please ask for this product by name and provide exact specifications.

Table 16. Module 3: MC Emergency Supplies

SCMS ID Number	Product	Product Specifications
990210	Emergency Trolley	Cart with labeled drawers, including mechanism for plastic tab "locks"
106324	Adrenaline <sup>#</sup>	Epinephrine (adrenaline) 1mg/ml, 1ml inj., 100 ampoules
107478	Atropine <sup>#</sup>	Atropine sulphate 1mg/ml, 1ml for injection, 100 ampoules
106133	Glucose (Dextrose) <sup>#</sup>	Dextrose 50%, injection, 25 vials of 50ml
104589	Sodium Chloride <sup>#</sup>	Sodium chloride 0.9%, 1000ml with nipple (no set), bottle, 12 bottles
107442	Non - Rebreather Oxygen Mask and Oxygen Tubing	Resuscitator, With Reservoir Bag and O2 Tubing, Child Size, Each
107443	Ambubag	Ambubag, Adult Size Face Mask with Reservoir Bag and Oxygen Tubing
107469	Flashlight (pen torch)	Flashlight, Battery Operated, Each
107444	Oropharyngeal airway	Oropharyngeal Airway, Plastic, Single Use, Non-Sterile, Size 3, 10 Pcs
107445	Oropharyngeal airway	Oropharyngeal Airway, Plastic, Single Use, Non-Sterile, Size 4, 10 Pcs
107446	Oropharyngeal airway	Oropharyngeal Airway, Plastic, Single Use, Non-Sterile, Size 5, 10 Pcs
107447	Glucometer	Glucometer, OneTouch Ultra Blood Glucose Monitor
107448	Glucometer Strips	Glucometer Strips, OneTouch Ultra Test, 100 Pcs
107449	Sphygmomanometer	Sphygmomanometer, Aneroid, Standard, Handheld, Each)
107450	Stethoscope, Binaural	Stethoscope, Standard, Dual Head, Each
104161	Tourniquet	Tourniquet, Latex, Disposable, 1 x 18in, 1000 Pcs
107451	Laryngoscope	Laryngoscope Set, Standard, Battery Operated, with Blades, Each
103577	IV Infusion Tubing	Infusion giving set with airinlet+needle, 100 pce
107453	IV Catheter	IV Catheter, 18G x 1.88in, Wings, Sterile, Disposable, 50 Pcs
107454	IV Catheter	IV Catheter, 22G x 1in, Wings, Sterile, Disposable, 50 Pcs
107455	IV Catheter	IV Catheter, 16G x 1.66in, Wings, Sterile, Disposable, 50 Pcs

107463	Tape	Surgical Tape, Clear, Roll 2.5cm x 9m, 12 Pcs
107467	Pump, Aspirating, Surgical	Aspiration Pump, Surgical, Portable
107460	Endotracheal Tube	Endotracheal Tube, 6mm, Disposable, Sterile, 10 Pcs
107461	Endotracheal Tube	Endotracheal Tube, 7mm, Disposable, Sterile, 10 Pcs
107462	Endotracheal Tube	Endotracheal Tube, 8mm, Disposable, Sterile, 10 Pcs
107466	Oxygen Cylinder	Oxygen cylinder with model 830 regulator
103223	Disposable Exam Glove	Gloves, Exam, Nitrile, Powder-Free, Non-Sterile, Med, 100 Pcs
104922	Alcohol Swabs	Prep Swab, Alcohol, Medium, 150 x 200mm, 100 Pcs
104122	Sterile Gauze	Gauze,, Sponge, Sterile, 8-ply, 4 X 4 in, 50 pcs
107036	Syringe 2 cc with 21G needle	Syringe, Auto-Disable, 2mL, 21G x 1.5in, 100 Pcs
104854	Syringe 10 cc with 21G needle	Syringe, w/Needle, BD Safety-Lok, Sliding Sleeve, 10mL, 21G x 1.5in, 400 Boxes
106984	Syringe 2 cc with 23G needle	Syringe, Auto-Disable, 2mL, 23G x 1in, 100 Pcs
104849	Syringe 10 cc with 22G needle	Syringe, w/Shielding Needle, 10mL, 22G x 1.5in, 400 Pcs
107452	Pulse oximeter	Pulse Oximeter, Fingertip, Battery Operated
107470	Emergency Protocols	Laminated Protocols for Basic Resuscitation of Anaphylaxis. CPR Poster.

\* This product requires specifications. Please ask for this product by name and provide exact specifications.

# Please note that SCMS will determine if these pharmaceutical product on this list meets the regulatory and/or importation requirements of the country of importation/consumption. For larger procurements, SCMS may be able to supply smaller units of measurement for pharmaceuticals on this list (such as packaging per ampoule, iodine per 100ml). For smaller procurements, SCMS will not be in the position to supply re-packed smaller unit of measurement.

## Home Based Care Kit

The home based care (HBC) kits are composed of various products for home based workers to care for people living with HIV/AIDS and for their own protection. An HBC kit usually contains essential products such as painkillers, gloves and bandages.

We can offer a standardized kit through our approved vendors (of which an example is listed in Table 17), or we can work together to customize the kits to your specific needs. Note that SCMS will determine if the pharmaceutical product on this list meets the regulatory and/or importation requirements of the country of importation/consumption. Please feel free to contact us for more information.

Table 17. Home Based Care List (supply for three months) - SCMS ID CODE 107487

Product Description	Unit
<b>Pain relief</b>	
Paracetamol 500 mg	1000 tablets (per bottle)
Topical fungal infections	
Miconazole ointment 2% 30g	1 tube
Oral candidiasis	
Miconazole 10mg buccal tablets	350 tablets
Vaginal candidiasis	
Clotrimazole vaginal tablet 500mg	1 tablet
<b>Disinfectants</b>	
PVP Iodine 10% solution 200ml bottle	1 bottle
Chlorhexidine 5% 1000ml	1 bottle
Washbottle plastic 250ml complete squeeze type	1 piece
Drinking cup plastic 300ml	1 piece
<b>Treatment of diarrhea</b>	
Oral rehydration salts (low osm)	100 sachets
<b>Vitamins</b>	
Multivitamin tablets	1000 tablets (per bottle)
<b>Scabies</b>	
Permethrin 1% lotion	100 ml

<b>Body care/pruritus</b>	
Zinc oxide ointment 10% tube 100g	1 tube
Calamine lotion	500ml
<b>Protection for care provider</b>	
Gloves, examination medium	100 pieces
Apron utility 120cm opa.q.pl.reusable	1 piece
<b>Wound treatment</b>	
Scissors bandage lister	1 piece
Cotton wool 500g	1 roll
Adhesive tape 2.5cm x 5m microport	2 rolls
Adhesive woundplaster 6cm x 5m	1 piece
Gauze compresses 10x10cm12 ply sterile per 1 piece	45 pieces
Hydrophilic bandage 10cm x 5m self-edged	10 rolls
Forceps dissecting 14cm (dressing spring type)	1 piece
Bowl stainless steel 500ml	1 piece
<b>Patient comfort</b>	
Soap wrapped, 100g	2 pieces
<b>Water treatment</b>	
NaDCC tablets 8.5mg	50 tablets

## Warehouse in a Box

Warehouse-In-A-Box (WiB) provides an insulated warehouse that incorporates offices, ablutions facilities, furnishings and kitting and racking that can be shipped to any location for rapid assembly. WiB has a modular design that allows deployment and ready scalability with an estimated order to completion timeframe of six to nine months.

This solution:

- Provides an insulated warehouse (which meets WHO GMP standards) that can be shipped to any location for rapid assembly;
- Is quickly and simply customized to meet individual site layout requirements;
- The projection of the number of pallet locations required is the primary size definition;
- Incorporates offices and ablutions facilities and furnishings;
- Provides standard equipment and fittings as part of the installation;
- Has a modular design that allows rapid scalability against increasing demand;
- Is simply procured as a “one stop” solution with SCMS managing all service suppliers;
- Provides job descriptions, Standard Operating Procedures (“SOPs”) and training matrices for warehouse personnel;
- Includes in country operational and management skills training and transfer;
- Is rapidly deployed with an estimated order to sign-off lead time of six to nine months (it is important to note that preparation work can take three to six months before an accurate order can be defined);
- Promotes sustainability with training and follow up audits – the training program is designed for six-eight people and includes two audits post implementation;
- WiB is a permanent structure after deployment, it can be expanded but is not meant to be relocated.

If a standalone pre-fabricated warehouse is required or if you need more details on how to implement WiB, please contact SCMS for details at +1 571-227-8706 or [SCMSInfo@pfscm.org](mailto:SCMSInfo@pfscm.org).

## Configuration

WiB is deployed in a standard size of 20 X 25 m modules (500m<sup>2</sup>), with the ability to expand to multiple conjoined modules of up to 10 000sq metres. It is installed on flat land of acceptable compaction. The recipient is responsible for any preparation of and access to the land, and the provision of electricity, water and sewerage to the site. The title is transferred on completion of installation.

Table 18. WiB Core Product List

SCMS ID Number	Description
107491	WiB Configuration Option
107488	WiB Foundation
107492	WiB Installation
107490	WiB Structure

107493	WiB Training
107489	WiB Transport

**Payment against major milestones in the project (Based on a 500m<sup>2</sup> warehouse)**

*1. In-country civil works and casting of concrete base and floor:*

Payment to contractors may require a deposit and final payment after completion in approximately 30 days. This component is approximately 16% of total costs of entire installation.

*2. Steel frame and insulated cladding for warehouse and offices:*

Deposit and partial payment are due before the goods leave the factory and are placed on the ship or vehicle. Payment is made in two parts:

- Part 1 payment is for the purchase of the steel frame and cladding
- Part 2 payment is for the installation of the WiB, the cost of which is partially paid at the commencement of civil works. This component is approximately 28% of total costs of installation.

*3. Kitting and equipment for warehouse:*

(Air conditioning, racking, Generator, Functional WMS where specifically requested, forklift, etc)  
This component is approximately 28 % of cost of installation and many items require deposits or full payments before delivery. Please note that while options may vary per order, clients are not required to purchase certain options if they already have the equipment and instead may upgrade certain configurations.

*4. Training and commissioning:*

This is a 1-3 month process which is completed once all equipment is installed, tested and commissioned. Training will be delivered per the full program. The hand over will take place once all training has been delivered and the operation has been commissioned. This component is approximately 28% of the cost.

NOTE: Transport-Freighting costs will be provided at the time of the quotation based on the mode of transport, distance from the manufacturer and weight of final product.

## Clinic in a Box or Storage in a Box

Clinic-In-A-Box (CiB) or Storage in a Box (SiB) is a ready to use clinic and dispensary unit that can be shipped to any location for rapid assembly and fully maintainable by the community. The number of units and use can be determined at the time of order to create a single or multiple unit healthcare complex.

The CiB can be equipped to provide an examination room, reception area, and dispensary or storeroom. Storage units with space dedicated to shelving and inventory management are available as well as other variations. All are described in the catalog options. Electricity and water needs to be provided at the assembly site by the recipient. A generator is included as standard within the quoted price for back-up power.

This solution:

- Turnkey - delivering the infrastructure and equipment;
- Long term sustainability is achieved through the modular concept that is pertinent to the current needs of the client and can be readily adjusted to encompass future growth demands;
- All components are of the highest quality and produced to technical specifications in controlled environments overseen by project managers;
- The commissioning is rapidly deployed in rural settings and the infrastructure, equipment and support services is delivered to site;
- Available in five options depending on need.

The five CiB options include a small district store room with shelving and furniture; and a clinic with adjacent dispensary/storeroom with full roofing. Most facilities will be designed to suit specific needs, and the scalability allows growth plans and modular expansion to suit most requirements.

The recipient is responsible for any preparation of and access to the land, and the provision of electricity, water and sewerage to the site. Electrical requirements are standard 220v (countries without 220 v must specify requirements) with earth leakage, circuit breakers for air conditioning plugs and lights, surface mounted plugs, light switches, external waterproof plug, 4 ft double fluorescent lights, DB board. The title is transferred on completion of installation.

CiB is manufactured in South Africa to a modular design (from pre-approved suppliers) that allows rapid deployment, with an estimated order to completion time frame of 4-6 weeks. The delivery lead time is approximately two weeks from order plus the ocean shipping (2-4 weeks on average). Assembly usually takes four days once all components are on site.

You can download the specifications for the options from the e-catalog at <http://scms.pfscm.org/scms/e-catalog/programareas#clinicinabox>. To discuss the specifications for the CiB options, please contact SCMS for details at +1 571-227-8706 or [SCMSInfo@pfscm.org](mailto:SCMSInfo@pfscm.org).

## Payment Options

CiB will be supplied as a Firm Fixed Price (FFP) commodity, quoted FOB Johannesburg. The FFP will be finalized based on the individual requirements of the site which are simply and quickly evaluated during the order process.

Table 19.CiB Core Product List

SCMS ID Number	Description
108635	Option 1: Clinic-in-a-Box™ standard offering (clinic and dispensary)
108639	Option 2: Dispensary standard offering
108641	Option 3: Small district store room with shelving and furniture
108642	Option 4: Cross dock facility
108640	Option 5: Combo Storage Unit

## Specialized Food Products

The specialized food product list supports requests for commodities required in food-by-prescription programs. The list currently includes ready-to-use therapeutic foods (RUTF) and fortified blended flour (FBF).

In addition to these specialized food products, food-by-prescription programs may require non-food products such as mid- and upper-arm circumference (MUAC) tapes, infant scales (Salter scales, 25 kg), weighing pants, adult scales (not bathroom scales), height boards/meters, weight-for-height/BMI tables and water purification commodities.

If you have other product requirements in this area, please contact us for immediate assistance. As always, refer to the SCMS ID Number to help speed the processing of your order.

Table 20. Specialized Food Product Core Product List

SCMS ID Number	Description
106646	Fortified Blended Flour 450Kcal/100g, 300g pack/ Foundation Plus®, 15 sachets
105761	RUTF - Plumpy Nut: peanut, dried skimmed milk (DSM), vegetable oil, sugar, micronutrient (vitamins and minerals), 92g x 150 sachets
108155	RUTF - Complete F-100: Nonfat milk, vegetable oil, maltodextrin, whey, sugar, dextrose, soy lecithin, vitamins and minerals, 92g x 150 sachets

## Prevention of Mother-to-Child Transmission (PMTCT)

Developed in collaboration with the CDC, this list includes products that are typically needed for a PMTCT program. Although quite comprehensive, this list is not exhaustive. Additional products may be required depending on the needs of the PMTCT facility. As always, refer to the SCMS ID Number to help speed the processing of your order.

Table 21. PMTCT Core Product List

SCMS ID Number	Description
105132	Biohazard Waste Containers, Step-On, Red, 6 Gallon, Each
102225	Co-trimoxazole 240mg/5ml, oral suspension, bottle of 100ml
102078	Co-trimoxazole 480mg, tablets, 1000 tablets
106002	Co-trimoxazole 960mg, tablets, 1000 tablets (100x10 blister)
102366	Flow Cytometry, BD FACS, Clean Solution, 5L
102423	Flow Cytometry, BD FACS, Rinse Solution, 5L
102427	Flow Cytometry, BD FACSCount Reagent Kit, Double Tube, 50 Tests
102369	Flow Cytometry, BD FACSCount, Control Kit, 25 Tests
106646	Fortified Blended Flour 450Kcal/100g, 300g pack/ Foundation Plus®, 15 sachets
105068	Gloves, Exam, Latex, Powder-Free, Non-Sterile, Med, 100 Pcs
102444	Gloves, Sterile Surgical, Latex, Powdered, Size 7.5, 50 Pair
106758	Gloves, Sterile Surgical, Latex, Powdered, Size 8.5, 50 Pair
102169	HIV 1+2, Determine Complete Kit, 100 Tests
102136	Isoniazid 100mg, tablets, 1000 tablets
102137	Isoniazid 300mg, tablets, 1000 tablets
103763	Lab Coat, Basic, Blue, Lg, 25 Pcs
103762	Lab Coat, Basic, Blue, Med, 25 Pcs
103761	Lab Coat, Basic, Blue, Sm, 25 Pcs
103760	Lab Coat, Basic, White, Lg, 25 Pcs
103759	Lab Coat, Basic, White, Med, 25 Pcs
102942	Lab Coat, White, Med, Each
107657	Nevirapine 10mg/ml, oral suspension, bottle of 240ml (with syringe)
105822	Standard Laboratory Notebook, 100 Sewn-in Pages, 6.3mm Grid, Each

# Acronyms

PMTCT	prevention of mother-to-child transmission
RUTF	ready-to-use therapeutic foods
TB	Tuberculosis
USAID	US Agency for International Development

# Frequently asked questions - Procuring commodities through SCMS

---

## Products

### Q. What kinds of products can I procure from SCMS?

**A.** SCMS can procure most products needed for a comprehensive HIV/AIDS care and treatment program, including:

- Antiretroviral medicines
- HIV test kits
- Laboratory supplies and equipment
- Medicines to treat opportunistic infections, such as tuberculosis and malaria
- Medicines and supplies for palliative and home-based care
- Products for food-by-prescription programs, such as: ready-to-use therapeutic food (RUTF) and fortified blended flour (FBF)
- Warehouse-In-A-Box (WiB)
- Clinic-In-A-Box (CiB)
- Male circumcision kits

Visit our e-catalog at <http://scms.pfscm.org/scms/e-catalog> for the most current list of products.

### Q. Can you only supply goods produced in the United States?

**A.** No. SCMS buys medicines and goods that meet quality standards for Good Manufacturing Practices (GMP) and safety requirements, and are efficacious. SCMS buys high-quality products from reliable manufacturers in many countries to meet the needs of HIV/AIDS programs. The sites may or may not be within the US. Please see specific commodity type information for more details.

### Q. What types of information will I need to provide when making an order?

**A.** SCMS needs to know the precise specification of the product(s) you require: its intended usage, (if this is not obvious from the specification), manufacturer name, manufacturer catalog number or SCMS e-catalog item number, and the requested delivery date by which the product is required. Contact us at [SCMSInfo@pfscm.org](mailto:SCMSInfo@pfscm.org) regarding your product request. A SCMS representative will contact you to discuss your requirements in more detail to fully understand your needs and design the appropriate response.

Although we always strive to procure commodities for our clients as quickly as possible, the time needed to prepare a price quote and subsequently procure infrequently ordered commodities can be significant.

**Q. What are specific issues I should consider when ordering ARVs?**

**A.** We can supply any branded or generic ARVs that are approved or tentatively approved by the FDA. The manufacturing sites of these FDA-approved ARVs are also specifically inspected for GMP by the FDA to meet quality standards. The sites may or may not be within the US. As with all pharmaceuticals, the ARVs requested must also be registered for use with the drug regulatory authority of the destination country, or they must be waived for importation. Due to increasing demand for ARVs, manufacturers are reaching their maximum production capacity. Supplies are not always immediately available, and clients should expect longer lead times for large orders. For more specific FDA registration information and FDA lists of ARVs in association with PEPFAR, please visit <http://www.fda.gov/oia/pepfar.htm>.

**Q. What are specific issues I should consider when ordering HIV test kits?**

**A.** The list of HIV test kits in our e-catalog includes those most frequently used in PEPFAR countries. If you require a test kit that is not shown, we may be able to supply it, but we will need to seek confirmation of efficacy and suitability from the US Centers for Disease Control and Prevention (CDC) and the US Agency for International Development (USAID). Due to increasing demand, test kit manufacturers are reaching their maximum production capacity. Supplies are not always immediately available, so clients should expect a lead time of up to 14 weeks for large orders. Many test kits have a relatively short shelf-life. With a shelf-life of less than 12 months it is important to have staged delivery to obtain the maximum useable life. SCMS can advise on appropriate delivery patterns.

**Q. What are specific issues I should consider when ordering medicines for opportunistic infections?**

**A.** We supply essential medicines that meet the standards for GMP and safety requirements, and are efficacious. An approval process by USAID is required before SCMS can purchase using U.S. Government funds. If medicines must be registered for use in the country of destination, it can lead to a complex procurement process, as relatively few of the medicines used to treat opportunistic infections registered for use in developing countries are registered with the FDA or an equivalent stringent regulatory authority. We can fulfill your demand better if there is the option to obtain an importation waiver. The potential number of essential drugs that may be required is extensive. If an essential medicine you need is not listed in our e-catalog, please contact us regarding your requirements.

**Q. What are specific issues I should consider when ordering laboratory supplies and equipment?**

**A.** The range and type of laboratory equipment, reagents and consumables that may be required in any laboratory is extensive. The SCMS e-catalog contains products that we regularly supply to our clients. Because needs vary widely and must take into account local service capability, training and other issues, we work with each client to prepare a specific response to meet their individual requirements and fulfill any particular requirements of the funding agency.

The time needed to deliver laboratory items can vary greatly depending on the type of commodity, location of the manufacturer or supplier, and availability of stock. Speak with your SCMS representative to learn more about specific turn-around times.

**Q. What are specific issues I should consider when ordering MC kits?**

**A.** The PEPFAR Male Circumcision Technical Working Group (MC TWG) assigned SCMS the task of leading the procurement and supply chain management of MC kits and supplementary commodities. Kit components and supplementary commodities have been agreed upon by consensus among the MC TWG partners, thus allowing SCMS to apply economies of scale to negotiate the lowest prices possible while maintaining the highest quality of the product for the MC program.

The PEPFAR MC TWG has agreed on the following MC kit options:

- Option 1: Reusable MC Kit for forceps-guided procedure
- Option 2: Reusable MC Kit for sleeve resection and dorsal slit procedures
- Option 3: Fully Disposable MC Kit for forceps-guided procedure

The PEPFAR MC TWG has also recognized the need for additional commodities to support MC programs. Please note the following, should there be a need for pharmaceutical products. SCMS will determine if the pharmaceutical product on this list meets the regulatory and/or importation requirements of the country of importation/consumption. If the product is not registered, we need to cooperate to obtain an importation waiver to enable importation and distribution of the product. For larger procurements, SCMS may be able to supply smaller units of measurement for pharmaceuticals on this list (such as packaging per ampoule, iodine per 100ml). For smaller procurements, SCMS will not be in the position to supply re-packed smaller unit of measurement.

**Q. Can one MC component be substituted for another? Can we request a component to be added and be part of our kit?**

- A.** MC kits are pre-manufactured and SCMS cannot allow for substitutions:
- a. Kits contain all the necessary components needed to perform the MC procedure under resource limited settings except pharmaceuticals. Therefore, any change request would be a matter of “preference” rather than “necessity”.

b. The creation of a kit manufactured under optimal conditions with stringent guidelines and QA requirements from the agreed upon list of commodities has been a thorough and time-consuming process. The logistics and time required to make changes to these products to serve specific needs would not be an easy or swift process to undertake.

c. SCMS provides these kits based in a standardized approach in order to maximize the economies of scale in order to bring cost down while providing a high quality product. A single change in the composition of the kit would result in a new kit, hence losing the benefits of standardization.

d. MC kits described in SCMS e-catalog were reached by consensus of partners and organizations. SCMS cannot make the decision to change the components of these kits. Only the partners of the TWG working group can make changes to the list by consensus.

#### **Q. Can the surgical instruments in the disposable MC kit be reused?**

**A.** SCMS and its suppliers offer these tools as disposable. They will guarantee that the quality of these products is good to be used only once. The decision to recycle these and use them again is strictly that of the client.

## **Procuring through SCMS**

#### **Q. How does the process work?**

**A.**

- SCMS is a project contracted by the US Government through the USAID primarily to provide supply chain services and support to programs within the President's Emergency Fund for AIDS Relief (PEPFAR). If you are a program within PEPFAR that would like to procure products through SCMS, contact us to confirm that we are able to supply to your program. This may be done in person, by phone or email ([SCMSInfo@pfscm.org](mailto:SCMSInfo@pfscm.org)) . If you work in a PEPFAR focus country, contact your local SCMS representative (see countries and contacts at <http://scms.pfscm.org/scms/where>) or the Project Management Office in the US at +1 571-227-8600 or [SCMSInfo@pfscm.org](mailto:SCMSInfo@pfscm.org).
- We will need to know your requirements including when you require the product(s), where the product(s) should be delivered, product specifications, quantity and who has the authority to make financial commitments for your program.
- On the basis of your requirements, SCMS will prepare a price quote for your consideration. The price quote will be used to confirm product specifications and will include both the price and anticipated time needed from delivery once we place an order. You will usually have up to 30 days to review and reject or accept the price quote. If this price quote is acceptable, you will sign and return the price quote, and we will then place the order on your behalf and provide you the anticipated delivery date(s) for your order(s).

- We charge the cost of the commodity plus freight delivery (if we handle any part of the shipment), insurance and a 5% surcharge for processing the order. Commodities provided from a SCMS regional distribution center may have blended freight and commodity costs. In the spirit of transparency, from time to time we will report to our clients these service costs, including quality assurance surveillance, for your reference purposes only
- SCMS will then manage the order through to delivery to the agreed destination, arranging supply either from one of our regional distribution centers in Ghana, Kenya or South Africa or by direct shipment from our supplier.
- Once the product is received, we ask you to accept delivery and then we will debit the cost to your account with SCMS. SCMS arranges settlement with the original supplier.

For regular repeat requirements, such as ARVs, test kits, reagents and other drugs, SCMS prefers to work on the basis of a quantified need, incorporating long term forecasts and supply plans for regular deliveries. This process will require detailed discussion and analysis between you and SCMS.

**Q. How long does the typical order take to deliver once the order is placed?**

**A.** Delivery periods vary extensively depending on the product ordered, size of the order, availability of stock, manufacturers’ production schedules and transportation time (including custom clearance, importation etc.). Delivery can take as little as three weeks if the appropriate product is available from local stock (at SCMS RDC or local vendor), to as much as 20+ weeks for specially manufactured equipment or specialized commodities. Your SCMS representative can provide you an estimated delivery date.

**Q. Can SCMS procure locally in the country where my program is located?**

**A.** Yes, SCMS can procure appropriate commodities from the local market. What we can procure depends on the commodity type (see explanation on quality requirement for pharmaceuticals), what is available on the local market, the quality of the product available and the cost compared to procuring from the international market. Contact your SCMS representative to discuss the option of local procurement.

**Q. If I can't find a product in your e-catalog, what should I do?**

**A.** If a product you require is not listed in our e-catalog, please contact [SCMSInfo@pfscm.org](mailto:SCMSInfo@pfscm.org). An SCMS representative will contact you to determine if we can supply it.

**Q. If I want to receive deliveries over a period of time rather than in a single shipment, do I submit one request or multiple requests?**

**A.** A single request is adequate, and we can then discuss with you an appropriate delivery pattern.

## **Price**

**Q. How do I obtain prices from SCMS?**

**A.** SCMS establishes long-term supply contracts with major suppliers to obtain firm prices for the most frequently purchased commodities. Many of these prices are published by SCMS as they are negotiated. Send a request to SCMS and we will contact you to discuss your requirements. SCMS will then prepare a detailed priced quotation for your consideration. We charge our clients the cost of the commodity plus freight and delivery, in addition to a 5% surcharge or processing fee.

**Q. What is the SCMS Pricing Policy?**

**A.** We charge the cost of the commodity plus freight, delivery and a surcharge for processing the order. Commodities provided from a regional distribution center may have blended freight and commodity costs. In the spirit of transparency, from time to time we will report to our clients these service costs, including quality assurance surveillance, for your reference purposes only.

**Q. Will SCMS prices be fixed and firm?**

**A.** Yes, all commodity prices are fixed and firm. Freight and delivery costs may vary depending on whether we are able to consolidate shipments, and fluctuations in global oil prices may affect costs charged by the particular carrier. At the time of preparing your price quote, SCMS will provide you an estimated cost of the freight and delivery (including customs clearance). Once the delivery is finalized, we will charge you the actual cost of freight and delivery and provide you with the detail of these costs.

**Q. How can I keep down the cost of shipping?**

**A.** Working closely with our clients, we are now saving them hundreds of thousands of dollars by identifying commodities that can be shipped by sea freight or over land rather than by air. The resulting cost savings are considerable, often more than 80 percent for sea shipments and 50 percent by land.

Achieving results like these requires careful collaboration between SCMS staff and our clients to select appropriate commodities, consolidate shipments when possible and negotiate delivery dates. Those who plan orders well in advance by conducting and sharing forecasts and supply plans will be best positioned to benefit from savings in freight costs.

**Q. How do I pay for the products my organization buys through SCMS?**

**A.** Special arrangements exist for PEPFAR programs whereby payment is made directly to SCMS. For non-PEPFAR programs, SCMS requires payment in advance before we can confirm the order.

**Q. Can I expect SCMS prices to be comparable to other procurement agents, for example will the Accelerated Access Initiative (AAI) prices for innovator ARVs be available via SCMS?**

**A.** Yes, SCMS is fully competitive with suppliers of commodities of similar quality. AAI pricing is available through SCMS.

**Q. Can SCMS help in preparing budget, forecast and supply plans to assess the costs of the commodities required?**

**A.** Yes. In fact, this is our preferred method of operation. SCMS is more than just a source of supply or a procurement service agent. Our services extend beyond the supply of the product to provide technical assistance and advice to our clients. SCMS welcomes the opportunity to contribute to your planning and budgeting in order to achieve the best value and an uninterrupted supply of commodities for your program, whether or not you procure products from us. Please contact your local SCMS office to discuss your requirements. You may also contact us at our Washington-based project management office.
